

Time to think about adding a Card Access System to your Business

1. System requirements

- Entry doors
- Gates
- Storage Area's
- High Security Area's
- Audit Trail
- Alarm System Interface
- Employee or Staff Time card

2. Credential Types and Readers

- Card
- Key FOB
- Weigand
- Indala
- HID

3. Hardware & Software

- Door Hardware (Magnets, Electric Locks, and Panic devices etc...)
- Keri Access System Controller
- Wireless Router or Modem
- Network Card
- User friendly and Windows based software with Free Updates

ALL LOCKSMITHS ON SITE ARE LICENSED, BONDED, CERTIFIED AND INSURED.
