

Villages of Fox Run – Pool Rules

The Villages of Fox Run pool will be open from approximately Memorial Day weekend through Labor Day weekend (open season). The pool will be open from 6:00 AM until 8:30 PM.

These rules and regulations have been developed for the protection of the community and to help assure that every family enjoys the pool season. Furthermore; several of the rules are required by the Wake County Health Department. Failure to follow these rules may result in the temporary closing of the pool or denial of access to the pool of owner/tenant breaking the rules.

NO GLASS OF ANY KIND IS ALLOWED IN THE POOL OR DECK AREA! The pool must be closed if glass is broken in the pool area. It must be completely drained, cleaned, refilled (~31,000 gallons), and re-inspected by the Wake County Board of Health before it can re-open. **The resident responsible for the glass will be responsible for the charges associated with this violation. This will cost between \$1500 and \$2000 per incident so this is the number one rule. ANY RESIDENT CAUGHT WITH GLASS IN THE POOL AREA WILL BE ASKED TO LEAVE AND PRIVLEDGES REVOKED IMMEDIATELY – NO WARNINGS WILL BE GIVEN FOR THIS RULE!!!**

THE POOL GATE MUST REMAIN CLOSED AT ALL TIMES! Do not prop the gate open at any time. This is in accordance with the **Wake County Health & Safety Regulations** intended to protect our younger residents. This will also limit pool access to those intended to use the pool.

CALL 911 FOR ALL EMERGENCIES FROM THE POOL PHONE!

PETS ARE NOT ALLOWED AT ANY TIME IN THE POOL AREA!

Training pants with snug fitting rubber pants or the newly designed swim diapers are required for any infant/ child that are not fully toilet trained. *Fecal contamination will require the pool to close for up to 24 hours so that chemical treatments can be completed. The resident responsible for the fecal contamination may be charged for any resulting costs.*

Children **under the age of 18 must be escorted by a parent/legal guardian** when at the pool.

Guests must be escorted by a resident when at the pool. The resident is responsible for all actions and/or violations of their guest(s).

Proper swimming attire is required at the pool. Please remember that this is intended to be a family environment.

The **pool phone** is intended for emergency use only. This phone will allow local and 911 calls only.
