**Dear Park Place Resident:**

**Subject: Annual Termite Service Agreement Renewal Inspection**

This letter is to inform you that Smith Exterminating Company, Inc. will be performing the annual termite inspection on the dates listed below. The annual inspection is required under the terms and conditions of the termite warranty. It is necessary that all units be inspected. Please have all crawlspace areas, ground floor slab areas including garages and storage areas accessible for the inspection.

Any unit that is not made accessible for the inspection will result in cancellation of the termite service agreement for that unit.

In an effort to expedite the inspection process, the listed schedule will be followed:

Monday Jan. 4, 2009 Clubhouse	309-422 Center Pointe Drive and
Tuesday Jan 5, 2009 100-103 Colchis Court	424-507 Center Pointe Drive and
Wednesday Jan 6, 2009 200-212 Vinca Circle	104-126 Colchis Court and
Thursday Jan 7, 2009	214-326 Vinca Circle

We will begin each day at 8:00 am and start at the lowest numbered address. Keep in mind that if appointments are made they will be accommodated first. Should you be unavailable on the day specified, we suggest making arrangements with a friend or neighbor to provide access or leaving a garage door and/or crawlspace unlocked and we would lock it when the inspection is completed.

Should you need to make other special arrangements, we will make every attempt to accommodate your situation. Appointments are available in blocks of times between 8am-12pm and 1pm-4pm.

Inspections scheduled for any day other than the above specified dates will result in an additional inspection fee of twenty-five dollars (\$25.00) per unit payable at the time of the inspection by the owner. Should you have any questions or need to make special arrangements, please call us at 919-851-0220.

Thank you for your continued trust and cooperation.
