

Neighbor Acknowledgement Form - High Grove

Your neighbors have the right to know of your future plans. If you have not already submitted a neighbor acknowledgment form, please obtain signatures from all property owners having common lot lines with your property plus with property owners who may reasonably view the improvement from their property. You should take a physical copy of your plans for them to review. The ARC will not be reviewing your application until you obtain these signatures. These signatures do not affect whether your application is approved or denied. **Signature is simply an acknowledgment of the changes about to take place and to expect construction activity in the area.** If a neighbor has concerns regarding this application, they may contact the Board directly at arc@highgrovefv.org.

If you have not already, please return these signatures as soon as possible. This form may be returned to the email address above, fax number: 919-882-8739 or mailing address:
