ARTICLE II EXISTING PROPERTY AND ADDITIONS

Section 1. Existing Property. The real property which is and shall be held, transferred, sold, conveyed, given, donated, leased, occupied, and used subject to this Declaration is described as follows:

All that tract or parcel of land, situate, lying and being in Wake County, North Carolina, which is more particularly described in Exhibit "A" attached hereto and by specific reference made a part hereof.

All of the real property hereinabove described shall sometimes be referred to herein as the "Existing Property". The Declarant intends to develop the Existing Property in accordance with a Master Plan prepared in its Planning Department and placed on display in its Reception and Sales Office, and other areas. The Declarant reserves the right to review and modify the Master Plan at its sole option from time to time based upon its continuing research and design program. The Master Plan shall not bind the Declarant, its successors and assigns, to adhere to the Master Plan in the development of the land shown thereon. Subject to its right

to modify the Master Plan as stated herein, the Declarant shall convey to the Association certain properties designated on the Master Plan as properties which may be transferred to the Association, as, in the reasonable exercise of its discretion, it so chooses without regard to the relative location of such portions or sections within the overall plan. Once conveyed to the Association, these properties shall become Common Properties. The Declarant shall not be required to follow any predetermined sequence or order of improvements and development; and, it may bring within the plan of these Covenants additional lands, and develop the same before completing the development of the Existing Property. Other than as stated in this paragraph, the Declarant shall have full power to add to, subtract from, or make changes in the Master Plan regardless of the fact that such actions may alter the relative maximum potential voting strength of the various types of membership of the Association.

Section 2. Additions to Existing Property. Additional lands may become subject to, but not limited to, this Declaration in the following manner:

(a) Additions. During the period of development, which shall by definition extend from date of this Declaration to December 31, 1995, the Declarant, its successors and assigns shall have the right, without further consent of the Association, by Supplementary Declaration, to bring within the plan and operation of this Declaration additional property. Such property may be subjected to this Declaration as one parcel or as several smaller parcels at different times.

The additions authorized under this and the succeeding subsection shall be made by recording a Supplementary Declaration of Covenants and Restrictions with respect to the additional property which shall extend the operation and effect of the Covenants and Restrictions of this Declaration to such additional property. The Supplementary Declaration may contain such complementary additions and/or modifications of the Covenants and Restrictions contained in this Declaration as may be necessary or convenient, in the sole judgment of the Declarant, to reflect the different character, if any, of the added properties and as are not inconsistent with the plan of this Declaration, but such modifications shall have no effect upon the Property described in Section 1, Article II above, or upon any other additions to the Properties.

(b) Other Additions. Upon approval in writing of the Association pursuant to a simple majority of the vote of those present at a duly called meeting, the owner of any

property who desires to add such property to the plan and operation of this Declaration and to subject it to the jurisdiction of the Association, shall record a Supplementary Declaration of Covenants and Restrictions with respect to the additional property which shall extend the operation and effect of the Covenants and Restrictions of this Declaration to such additional property.

The Supplementary Declaration may contain such complementary additions and/or modifications of the Covenants and Restrictions contained in this Declaration as may be necessary or convenient which are not inconsistent with the plan or this Declaration, but such modifications shall have no effect upon the Property described in Section 1, Article II above, or upon any other additions to the Properties.

(c) Merger. Upon merger or consolidation of the Association with another association, as provided for in the By-Laws of the Association, its property rights and obligations may, by operation of law, be transferred to another surviving or consolidated association, or in the alternative, the properties, rights and obligations of another association may, by operation of law, be added to the properties of the Association as a surviving corporation pursuant to a merger. The surviving or consolidated association may administer the Existing Property, together with the Covenants and Restrictions established upon any other properties, as one plan. No merger or consolidation shall effect any revocation, within the Existing Property, including, without limitation, the maximum limits on Assessments and dues of the Association, or any other matter substantially affecting the interests of Members of the Association, or Institutional Lender.

(d) Additional lands which become subject to this Declaration under the provisions of this Section 2 may in the future be referred to as a part of Westpark PUD. Also, the name Westpark PUD may be used by the Declarant to refer to other nearby properties not subject to this Declaration.

ARTICLE III MEMBERSHIP AND VOTING RIGHTS IN THE ASSOCIATION

Section 1. Membership. The Declarant (so long as it owns a Residential Unit within Westpark PUD) shall be a Member of the Association, and any creditor of an Owner of a Residential Unit who acquires title to the Properties or any portion thereof pursuant to foreclosure shall be a Member of the Association. Every Owner of a Residential Unit shall be

Section 4. Election of The Board of Directors. (a) The Type "A" Members together with the Type "B" Member Developer of the Property described on Exhibit "A" shall elect three (3) Directors;

(b) The method of electing directors shall be as determined by the Developer of the Property described on Exhibit "A,"; provided, however, when any property entitling the Owner to membership in the Association is owned of record in the name of two (2) or more persons or entities, whether fiduciaries, joint tenants, tenants in common, tenants partnership or in any other manner of joint or common ownership, or if two (2) or more persons or entities have the same fiduciary relationship respecting the same property, then unless the instrument or order appointing them or creating the tenancy otherwise directs and it or a copy thereof is filed with the Secretary of the Association, all such Owners shall be Members of the Association. The vote for such Property shall be exercised as the Owners thereof determine, but in no event shall more than the number of votes specified in Section 2 of this Article III be cast for any Property, and no fractional vote shall be cast.

(e) The voting rights of any Owner may be assigned by said Owner to his lessee; provided, however, that the Owner may not assign to such lessee any vote or votes not

attributable to the property actually leased by such lessee.

(f) Notwithstanding any provision in this Section 4, or in Section 8 of this Article III to the contrary, the right of the "Type B" Member to control the Board of Directors shall terminate not later than five (5) years after the conveyance of the first residential lot.

Section 5. Quorum Required for Any Action Authorized at Regular or Special Meetings of the Association. The quorum required for any action which is subject to a vote of the members at an open meeting of the Association shall be as provided in Article III, Section 4 of the By-Laws.

Section 6. Proxies. All Members of the Association may vote and transact business at any meeting of the Association by proxy as provided in Article III, Section 5 of the By-Laws.

Section 7. Ballots by Mail. When required by the Board of Directors, there shall be sent with notices of regular or special meetings of the Association, a statement of certain motions to be introduced for vote for the Members and a ballot on which each Member may vote for or against each such motion. Each ballot which is presented at such meeting shall be counted in calculating the quorum requirements set out in Section 5 of this Article III. Provided, however, such ballots shall not be counted in determining whether a quorum is present to vote upon motions not appearing on the ballot.

ARTICLE IV

PROPERTY RIGHTS IN THE COMMON PROPERTIES:

Section 1. Members' Easements of Enjoyment in Common Properties. Subject to the provisions of these Covenants, the rules and regulations of the Association and any fees or charges established by the Association, and the provisions of Covenants, rules and regulations of "Sub-Associations" established within the Properties, every Member, and every guest and tenant of such Member, shall have a right of easement of enjoyment in and to the Common Properties, and such easement shall be appurtenant to and shall pass with the title of every parcel within the Properties.

Notwithstanding the foregoing, each Developer agrees to convey to the Town of Cary that portion of the Common Properties located on its portion of Westpark PUD as is required to be deeded to the Town of Cary on the Master Plan in a manner and sequence consistent with the development schedule of all Developers.

Section 3. Extent of Members' Easements. The rights and easements of enjoyment created hereby shall be subject to the following:

(a) The right of the Association, in accordance with its By-Laws, to borrow money from any lender for the purpose of improving and/or maintaining the Common Properties, and providing services authorized herein and in aid thereof to mortgage said properties provided, however, that any such mortgage is with the prior consent of two-thirds of the votes entitled to be voted by the Members of the Association, which consent may be evidenced by petition or by an affirmative vote of such two-thirds by Members voting in person or by proxy at a duly called meeting of the Association; and

(b) The right of the Association to take such steps as are reasonably necessary to protect the above-described properties against foreclosures;

(c) The right of the Association to suspend the right to vote and the right to use that portion of the Properties designated as "Common Open Space" - "C.O.S." of any Member or Tenant or guest of any Member for any period during which the payment of any Assessment against property owned by such Member remains delinquent, and for any period not to exceed sixty (60) days for any infraction of its published rules and regulations, it being understood that any suspension for either non-payment of any Assessment or a breach of the rules and regulations of the Association shall not suspend the right to use any roads belonging to the Association

subject to the rules, regulations and fees, if any, established by the Association for such use.

(d) The right of Declarant or the Association by its Board of Directors to dedicate or transfer to any public or private utility, utility or drainage easements on any part of the Common Properties; and

(e) The right of the Association to give or sell all or any part of the Common Properties, including lease-hold interests, subject to (i) the provisions of this Declaration of Covenants and Restrictions and (ii) all other restrictions and limitations of record at the time of conveyance, to any public agency, authority, public service district, utility, or private concern for such purposes and subject to such conditions as may be agreed to by the Members, provided, however, that no such gift or sale of any parcel of land and improvements thereon, or determination as to the purposes or as to the conditions thereof, shall be effective unless such dedication, transfers, and determinations as to purposes and conditions shall be authorized by the affirmative vote of three-fourths (3/4) of the votes cast at a duly called meeting of the Association, subject to the quorum requirements established by Article III, Section 5, and unless written notice of the meeting and of the proposed agreement and action thereunder is sent to every Member of the Association at least thirty (30) days prior to such meeting. A true copy of such resolution together with a certificate of the results of the vote taken thereon shall be made and acknowledged by the President or Vice President and Secretary or Assistant Secretary of the Association and such certificate shall be annexed to any instrument of dedication or transfer of any parcel of land and improvements thereon affecting the Common Properties prior to the recording thereof. Such certificates shall be conclusive evidence of authorization by the membership. The gift or sale of any personal property owned by the Association shall be determined by the Board of Directors in its sole and uncontrolled discretion.

(f) The right of the Declarant or the Association to convey all or part of the Common Properties to the Town of Cary.

Section 4. The Declarant covenants for itself, its successors and assigns, that it will convey to the Association the Common Property shown on each recorded "phase" or "section" map of the Properties prior to the conveyance of any Residential Lot or Unit shown on such map, and that, prior to December 31, 1995, they shall convey to the Association, at no cost to the Association, and subject to all the restrictions and limitations of the

various Articles of this Declaration and any other restrictions and limitations of record, all properties designated as Common Properties on recorded maps of the Property.

ARTICLE V
COVENANTS FOR ASSESSMENTS

Section 1. Creation of the Lien and Personal Obligation of Assessments. The Declarant covenants, and each Owner of each Residential Unit within the Properties, whether or not it shall be so expressed in any such deed or other conveyance, shall be deemed to covenant and agree to all the terms and provisions of this Declaration and to pay to the Association: (a) Annual Assessments or charges; and (b) Special Assessments or charges for the purposes set forth in this Article, such Assessments to be fixed, established and collected from time to time as hereinafter provided. The Annual and Special Assessments, together with such interest thereon and costs of collection thereof including a reasonable attorney's fee as hereinafter provided, shall be a charge and continuing lien on the real property and improvements thereon against which each such Assessment is made, and shall also be the personal obligation of the Owner of such property at the time when the Assessment first became due and payable. Co-owners shall be jointly and severally liable for the entire amount of the Assessment.

Section 2. Purpose of Assessments. The Annual Assessments levied by the Association shall be used exclusively for the purposes outlined in Article VI hereof.

Section 3. Application of "Maximum" Assessment. The Maximum Regular Annual Assessment, as set forth in subparagraph (a) of this Section 3 and as is automatically increased annually pursuant to the provisions of subparagraph (d) below, shall be levied by the Association. If, however, the Board of Directors of the Association, by majority vote, determines that the important and essential functions of the Association may be properly funded by an Assessment less than the Maximum Regular Annual Assessment, it may levy such lesser Assessment.

If the Board of Directors shall levy less than the Maximum Regular Annual Assessment for any Assessment year and thereafter, during such Assessment year, determine that the important and essential functions of the Association cannot be funded by such lesser Assessment, the board may, by a majority of voting power (subject to an affirmative

vote of 2/3 of each Type of Members), levy a Supplemental Assessment. In no event shall the sum of the initial and Supplemental Assessments for that year exceed the applicable Maximum Regular Annual Assessment.

If the Board of Directors, by a majority of voting power, determines that the important and essential functions of the Association will not be properly funded in any one (1) year, or in any one (1) year and all subsequent years, it may request approval of a specified increase in the Maximum Regular Annual Assessment for either one (1) year only, or for that one (1) year and all subsequent years, by the vote of the Members at a duly called meeting of the Association, subject to the quorum requirements established by Article III, Section 5. Should the Members vote in favor of such proposed increase, it shall be deemed approved and may be levied by the Board. An increase in the Maximum Regular Annual Assessment for one (1) year only pursuant to the provisions hereof shall in no way affect the Maximum Regular Annual Assessment for subsequent years on increases thereof in subsequent years.

(a) From and after May 16, 1990, the Maximum Regular Annual Assessment shall be \$ 300.00 for each Residential Unit as shall be automatically increased in each instance by percentage as set forth in Section 3(d) of this Article, and as may be increased pursuant to the provisions set forth immediately above.

(b) Assessments shall be payable monthly, on the first day of each month.

(c) The Board of Directors may authorize a billing agent to collect the Assessments provided for herein.

(d) From and after May 16, 1991, the Maximum Regular Annual Assessment shall be automatically increased each year by an amount of ten (10) percent per year over the previous year.

(e) The dues for each Residential Unit shall be one-fourth (1/4) of the regular assessment until; (i) a Certificate of Occupancy for such Unit has been issued by the Town of Cary, or (ii) six months after a building permit has been issued for such Unit by the Town of Cary, whichever shall first occur. Commencing on the first day of the next month following the earlier happening of (i) or (ii) above, the full assessment then in effect shall commence for such Unit.

Section 4. Special Assessments for Improvements and Additions. In addition to the maximum Regular Annual Assessments authorized by Section 3 hereof, the Association may levy Special Assessments for the following purposes:

(a) Construction, reconstruction, repair, or replacement of capital improvements upon the Common Properties, including the necessary fixtures and personal property related thereto;

(b) For additions to the Common Properties;

(c) To provide for the necessary facilities and equipment to offer the services authorized herein;

(d) To repay any loan made to the Association to enable it to perform the duties and functions authorized herein;

(e) Such Special Assessment, before being charged, must have received the approval of the Members of the Association by the favorable vote of seventy-five (75%) percent of the votes cast at a duly called meeting of the Association, subject to the quorum requirements established by Article III, Section 5. The notice of such meeting shall include one (1) statement from those Directors favoring the Special Assessment and one (1) statement from those Directors opposing the Special Assessment, containing the reasons for those Directors' support and opposition for the Assessment. Neither statement shall exceed five (5) pages in length.

This provision shall be interpreted to mean that the Association may make in any one (1) year an Annual Assessment up to the maximum set forth in Section 3 of this Article V, plus an additional Special Assessment. Such Special Assessment in any one (1) year may not exceed a sum equal to the amount of the Maximum Regular Annual Assessment for such year except for emergency or repairs required as a result of storm, fire, natural disaster, or other casualty loss. The fact that the Association has made an Annual Assessment for an amount up to the Maximum Regular Annual Assessment shall not affect its right to make a Special Assessment during the year.

Section 5. Reserve Funds. The Association shall establish reserve funds from its Annual Assessments to be held in reserve in an interest drawing account or investments as a reserve for:

(a) Major rehabilitation or major repairs;

(b) For emergency and other repairs required as a result of storm, fire, natural disaster, or other casualty loss;

(c) Initial costs of any new service to be performed by the Association; and

(d) For the periodic maintenance, repair, and replacement of improvements to the Common Properties and any Restricted Common Properties that it is obligated to maintain.

Section 6. Date of Commencement of Annual Assessments.
Due Date, Initial Units Subject to Assessment.
 Notwithstanding anything in the foregoing to the contrary, the Annual Assessments provided for herein shall commence no earlier than May 16, 1990, but not later than June 15, 1990.

Section 7. Duties of the Board of Directors. The Board of Directors of the Association shall fix the amount of the Annual Assessment. Written notice of Assessment shall thereupon be sent to every Member subject thereto.

Section 8. Effect of Non-Payment of Assessment: The Personal Obligation of the Owner; the Lien; Remedies of Association. If the Annual Assessment or any Special Assessment is not paid on or before five (5) days after the due date specified in Section 3(b) hereof, then such Assessment shall be deemed delinquent and shall (together with interest thereon at the maximum annual rate of 10% from the due date and cost of collection thereof including a reasonable attorney's fee as hereinafter provided) become a charge and continuing lien on the land and all improvements thereon against which such Assessment is made.

If the Assessment is not paid within thirty (30) days after the due date, the Association may bring an action at law against the Owners personally and there shall be added to the amount of such Assessment the costs of preparing the filing of the Complaint in such action and a reasonable attorney's fee, and in the event a judgment is obtained, such judgment shall include interest on the Assessment as above provided and reasonable attorney's fee together with the costs of the action. Such personal obligation shall not pass to the successor in title to the land unless assumed by such successor, or is required by applicable law.

Section 9. Subordination of the Lien. The Lien of the Assessments provided for herein shall be subordinate to the lien of any first deed of trust now or hereafter placed upon any properties subject to Assessment. In the event a

creditor acquires title to any property subject to Assessment pursuant to foreclosure or any other proceeding or deed in lieu of foreclosure, said creditor shall be subject only to Assessments accruing after such acquisition.

Section 10. Exempt Property. All Properties defined as "Exempt Property" in Article I(w) shall be exempt from the Assessment, charge and lien created herein.

Section 11. Annual Statements. The President, Treasurer, or such other Officer as may have custody of the funds of the Association shall annually, within ninety (90) days after the close of the fiscal year of the Association, prepare and execute under oath a general itemized statement showing the actual assets and liabilities of the Association at the close of such fiscal year, and a statement of revenues, costs and expenses. It shall be necessary to set out in the statement the name of any creditor of the Association, provided, however, that this requirement shall be construed to apply only to creditors of more than One Thousand and no/100 (\$1,000.00) dollars. Such Officer shall furnish to each Member of the Association who may make request therefor in writing, a copy of such statement, within thirty (30) days after receipt of such request. Such copy may be furnished to such Member either in person or by mail. Any holder of a first mortgage on a lot(s) or unit(s) (and any Insurers or Guarantors of such first mortgage) shall be entitled upon written request to a financial statement for the immediately preceding fiscal year.

Section 12. Annual Budget. The Board of Directors shall prepare and make available to each Member of the Association, at least sixty (60) days prior to the first day of the following fiscal year, a budget outlining anticipated receipts and expenses for the following fiscal year. The fiscal books of the Association shall be available for inspection at all reasonable times.

Section 13. Working Capital Fund. Simultaneously with the closing of the sale of each Residential Unit by Declarant, the purchaser shall remit to the Association one-sixth (1/6) of the full annual assessment then in effect to be held as a working capital fund. The purpose of said fund is to insure that the Association Board will have adequate cash available to meet unforeseen expenses, and to acquire additional equipment or services deemed necessary or desirable. Amounts paid into the fund shall not be considered advance payment of regular assessments.

ARTICLE VII
ARCHITECTURAL CONTROL

Section 1. Purpose. The primary purpose of these covenants and restrictions and the foremost consideration in the origin of same has been the creation of a community which is aesthetically pleasing and functionally convenient. The establishment of certain objective standards relating to design, size and location of dwellings and other structures makes it impossible to take full advantage of the individual characteristics of each parcel of Property and of technological advances and environmental values. In order to implement the purposes of these covenants, the Declarant may establish and amend from time to time objective standards and guidelines, including, but not limited to, Architectural Standard and Construction Specifications, Uniform Sign Regulations, Uniform Mailbox Regulations, Landscape Guidelines, and Environmental Rules and Regulations as defined hereinafter, and which shall be binding on all Property Owners within Westpark PUD.

Section 2. Controls.

(a) No building, fence, or other structure shall be erected, placed, or altered, nor shall a building permit for such improvement be applied for on any Property in Westpark PUD until the proposed building plans, specifications, exterior color or finish, plot plan (showing the proposed location of such building or structure, drives, and parking areas) shall have been approved in writing by the Declarant, or by the Architectural Review Board of the Association if such review responsibility has been delegated to the Association by the Declarant. In addition, the Declarant may require prior written approval of a landscape plan. The Declarant further reserves the right to promulgate and amend from time to time architectural standards and construction specifications (hereinafter referred to as the "Architectural Standards and Construction Specifications") for specific neighborhoods and areas or for all Properties within Westpark PUD and such Architectural Standards and Construction Specifications shall establish, define, and expressly limit those standards and specifications which will be approved in said neighborhoods and areas or within

the Properties, including, but not limited to, architectural style, exterior color or finish, roofing material, siding material, driveway material, landscape design, and construction technique. Refusal or approval of plans, location, exterior color or finish, or specifications may be based by the Declarant upon any ground, including purely aesthetic considerations, which in the sole and uncontrolled discretion of the Declarant shall seem sufficient. No alteration in the exterior appearance of any building, structure, or other improvements, including exterior color or finish, shall be made without like prior written approval by the Declarant. One (1) copy of all plans and related data shall be furnished the Declarant for its records. In the event approval of such plans is neither granted nor denied within forty five (45) days following receipt by the Declarant of written demand for approval, the provisions of this paragraph shall be thereby waived.

(b) In order to assure that buildings and other structures will be located and staggered so that the maximum view, privacy, sunlight, and breeze will be available to each building or structure within the confines of each Property, and to assure that structures will be located with regard to the topography of each Property, taking into consideration the location of large trees and other aesthetic and environmental considerations, the Declarant reserves the right to control absolutely and solely to decide (subject to the provisions of the Zoning Ordinances of the County of Wake and Town of Cary, North Carolina) the precise site and location of any building or structure on any Property in Westpark PUD for reasons which may in the sole and uncontrolled discretion and judgment of the Declarant seem sufficient. Such location shall be determined only after reasonable opportunity is afforded the Property Owner to recommend a specific site. The provisions of this paragraph shall in no way be construed as a guarantee that the view, privacy, sunlight, or breeze available to a building or structure on a given Property shall not be affected by the location of a building or structure on an adjacent Property.

(c) Each Property Owner shall provide space for the parking of automobiles off public streets prior to the occupancy of any building or structure constructed on said property in accordance with reasonable standards established by the Declarant.

(d) Except as may be required by legal proceedings, no sign shall be erected or maintained on any Property by anyone including, but not limited to, a Property Owner, a tenant, a realtor, a contractor, or a subcontractor, until the proposed sign size, color, content, number of signs, and

location of sign(s) shall have been approved in writing by the Declarant. Refusal or approval of size, color, content, number of signs, or location of sign(s) may be based by the Declarant upon any ground, including purely aesthetic considerations, which in the sole and uncontrolled discretion of the Declarant seems sufficient. The Declarant further reserves the right to promulgate and amend from time to time uniform sign regulations (the "Uniform Sign Regulations") which shall establish standard design criteria for all signs, including, but not limited to, real estate sales signs, erected upon any Property in Westpark PUD.

The Declarant and its agents shall have the right, whenever there shall have been placed or constructed on any Property in Westpark PUD any sign which is in violation of these restrictions, to enter immediately upon such Property where such violation exists and summarily remove the same at the expense of the Property Owner.

(e) It shall be the responsibility of each Property Owner, tenant, contractor, or subcontractor to prevent the development of any unclean, unsightly, unkempt, unhealthy, or unsafe conditions of buildings or grounds on any Property which shall tend to substantially decrease the beauty or safety of Westpark PUD, the neighborhood as a whole, or the specific area. The Declarant and its agents shall have the right to enter upon any Property for the purpose of correcting such conditions, including, but not limited to, the removal of trash which has collected on the Property, and the cost of such corrective action shall be paid by the Property Owner. Such entry shall not be made until fifteen (15) days after the Owner of the Property has been notified in writing of the need to take corrective action and unless such Owner fails to perform the corrective action within said fifteen (15) day period; provided, however, that should such conditions pose a health or safety hazard, such entry shall not be made until the Owner has been notified in writing of the need to take immediate corrective action and unless such Owner fails to perform the corrective action immediately. The provisions of this paragraph shall not create any obligation on the part of the Declarant to take any such corrective action.

(f) No mailbox, mailbox materials, numbers or lettering shall be erected or maintained on any Property until the proposed mailbox design, color, and location have been approved in writing by the Declarant. Refusal or approval of design, color, or location may be based by the Declarant upon any ground, including purely aesthetic considerations, which in the sole and uncontrolled discretion of the Declarant seems sufficient. No alteration in the exterior appearance of any mailbox shall be made

without like prior written approval by the Declarant. The Declarant further reserves the right to establish uniform mailbox regulations (the "Uniform Mailbox Regulations") which shall define standard design criteria for all mailboxes erected upon any Property in Westpark PUD.

(g) Prior to the occupancy of a building or structure on any Property, proper and suitable provisions shall be made for the disposal of sewage by connection with the sewer mains of the Cary public sewer system, or to a system approved by the Town of Cary.

(h) Prior to the occupancy of a building or structure on any Property, proper and suitable provisions for water shall be made by connection with the water lines of the Town of Cary.

(i) The Declarant reserves unto itself, its successors and assigns, and its agents, a perpetual, alienable, and releasable easement and right, on, over and under the Properties to erect, maintain, operate, and use electric, Community Antenna Television, and telephone poles, wires, cables, conduits, drainage ways, sewers, water mains, and other suitable equipment for the conveyance and use of electricity, telephone equipment, gas, sewer, water, drainage, or other public conveniences or utilities on, in or over those portions of such Property as may be reasonably required for utility line purposes; provided, however, that no such utility easement shall be applicable to any portion of such Property as may (a) have been used prior to the installation of such utilities for construction of a building whose plans were approved pursuant to these covenants by the Declarant, or (b) such portion of the Property as may be designated as the site for a building on a plot plan for erection of a building which has been filed with the Declarant and which has been approved in writing by the Declarant. These easements and rights expressly include the right to cut any trees, bushes, or shrubbery, make any grading of the soil, or to take any other similar action reasonably necessary to provide economical and safe utility installation to maintain reasonable standard of health, safety, and appearance. The Declarant further reserves the right to locate wells, pumping stations, siltation basins, tanks, and other utility apparatus within Westpark PUD in any Common Area or any Property designated for such use on the applicable plat of said Property, or to locate same upon any Property with the permission of the Owner of such Property. Such rights may be exercised by any licensee of the Declarant, but this reservation shall not create any obligation on the part of the Declarant to provide or maintain any such utility or service.

(j) Except as reserved and permitted in (i) above, no antenna or dish shall be placed on or erected upon any property within Westpark PUD.

(k) The Declarant reserves the right to promulgate and amend from time to time landscape guidelines (referred to hereinafter as the "Landscape Guidelines") which shall establish approved standards, methods, and procedures for landscape management on specific Properties in Westpark PUD and such authorized standards, methods, and procedures may be utilized by the Owners of such specified Properties without prior written approval by the Declarant; provided, however, no live trees measuring six (6) inches or more in diameter at a point two (2) feet above ground level may be removed without the prior written approval of the Declarant and no such trees may be removed from any areas designated as "greenway" on any recorded maps of the property. Approval for the removal of trees located within ten (10) feet of the main dwelling or accessory building or within ten (10) feet of the approved site for such building shall not be necessary unless such removal will substantially decrease the beauty of the Property.

(l) No construction (except for utility lines and streets approved by the Town of Cary) shall be permitted within twenty (20) feet on either side of any areas designated as "walking trails" on any recorded maps of the Property.

(m) Except with prior written approval of the Town of Cary all areas designated on the Master Plan as "Buffer Areas" shall be left in their undisturbed, natural state, and no improvements may be constructed, erected, placed or allowed to remain therein other than utility lines (and easements) and pedestrian and vehicular access ways (including streets and roads); provided, however, the Declarant, the Association, and any Property Owner adjoining such areas (subject to the approval of Declarant or its delegate) may plant trees, flowers and shrubs within such areas.

Section 3. Review Board. The Architectural Review Board shall be composed of at least three (3) but not more than eleven (11) Members, all of whom shall be appointed by the Board of Directors of the Association. At least one (1) Member of the Association other than the Declarant shall be a Member of the Architectural Review Board at all times.

ARTICLE VIII

Upon expiration of said thirty (30) year period, this Declaration shall be automatically extended for successive periods of ten (10) years. The number of ten (10) year extension periods hereunder shall be unlimited, and this Declaration shall be automatically extended upon the expiration of the initial thirty (30) year period, or upon the expiration of each subsequent ten (10) year extension period, unless at a duly called meeting of the Association, two-thirds (2/3) or more of the total vote of each type of Member entitled to be cast by all the Members of the Association shall vote in favor of terminating this Declaration at the end of its then current term. The presence at the meeting of Members or proxies entitled to cast sixty (60%) percent of the total vote of the Membership shall constitute a quorum. It shall be required that written notice of any meeting at which such a proposal to terminate this Declaration is to be considered, setting forth the fact that such a proposal will be considered, shall be given each member at least thirty (30) days in advance of said meeting. In the event that the Members of the Association vote to terminate this Declaration, the President and Secretary of the Association shall execute a certificate which shall set forth the Resolution of Termination adopted by the Association, the date of the meeting of the Association at which such resolution was adopted, the date that Notice of such Meeting was given, the total number of votes of Members of the Association, the total number of votes required to constitute a quorum at a meeting of the Association, the total number of votes present at said meeting, the total number of votes necessary to adopt a Resolution terminating this Declaration, the total number of votes cast in favor of such Resolution, and the total number of votes cast against such Resolution. Said certificate shall be recorded in the Register of Deeds Office, Wake County, North Carolina, and may be relied upon for the correctness of the facts contained therein as they relate to the termination of this Declaration.

Section 2. Amendments. All proposed Amendments to this Declaration shall be submitted to a vote of the Members

at a duly called meeting of the Association subject to the quorum requirements established by Article III, Section 5, and any such proposed amendment shall be deemed approved if two-thirds (2/3) of the votes of each type of Member cast at such meeting vote in favor of such proposed amendment. Notice shall be given each Member at least thirty (30) days prior to the date of the meeting at which such proposed amendment is to be considered. If any proposed amendment to this Declaration is approved by the members as set forth above, the President and Secretary of the Association shall execute an Addendum to this Declaration which shall set forth the Amendment, the effective date of the Amendment (which in no event shall be less than sixty (60) days after the date of the meeting of the Association at which such Amendment was adopted), the date of the meeting of the Association at which such Amendment was adopted, the date that notice of such meeting was given, the total number of votes required to constitute a quorum at a meeting of the Association, the total number of votes present at said meeting, the total number of votes cast for and against the Amendment, the number of votes necessary to adopt the Amendment, the total number of votes cast in favor of such Amendment and the total number of votes cast against the Amendment. Such Addendum shall be recorded in the Office of the Register of Deeds, Wake County, North Carolina.

So long as Declarant is entitled to elect a majority of the Members of the Board of Directors of the Association, no Amendment or Termination of this Declaration shall be made without the consent of Declarant; and until the end of the period of development no Amendment of this Declaration shall be made without the consent of Declarant which would have the effect of creating a disproportionate increase in the Maximum Regular Annual Assessment, the actual assessment levied, or any Special Assessment of any Class of Owners.

Notwithstanding the foregoing, Declarant, for so long as it shall retain control of the Board of Directors of the Association, and, thereafter, the Board of Directors, may amend this Declaration as shall be necessary, in its opinion, with the consent and approval of VA or FHA, FHLMC and FNMA and without the consent of any Owner, in order to qualify the Association for tax-exempt status, to correct obvious errors and omissions herein, and to qualify for VA, FHA, FHLMC and FNMA approvals. Such amendment shall become effective upon the date of its recordation in the Wake County Registry.

Section 3. Notices. Any notice required to be sent to any Member under the provisions of this Declaration shall be deemed to have been properly sent, and notice thereby given, when delivered personally or sent by mail, with the proper

postage affixed, to the address of such Member. It shall be the obligation of each Member to immediately notify the Secretary of the Association in writing of any change of address.

Section 4. Enforcement. Enforcement of these Covenants and Restrictions shall be by any proceeding at law or in equity against any person or persons violating or attempting to violate or circumvent any provision hereof, either to restrain violation or to recover damages, and against the land and to enforce any lien created by these Covenants; and failure by the Association or any Member or the Declarant to enforce any Covenant or Restriction herein contained for any period of time shall in no event be deemed a waiver or estoppel of the right to enforce same thereafter.

Section 5. Severability. Should any Covenant or Restriction herein contained, or any Article, Section, Subsection, sentence, clause, phrase or term of this Declaration be declared to be void, invalid, illegal, or unenforceable, for any reason, by the adjudication of any Court or other tribunal having jurisdiction over the parties hereto and the subject matter hereof, such judgment shall in no way affect the other provisions hereof which are hereby declared to be severable and which shall remain in full force and effect.

Section 6. Interpretation. The Board of Directors of the Association shall have the right to determine all questions arising in connection with this Declaration of Covenants and Restrictions, and to construe and interpret its provisions, and its determination, construction, or interpretation shall be final and binding. In all cases, the provisions of this Declaration of Covenants and Restrictions shall be given that interpretation or construction that will best tend toward the consummation of the general plan of improvements.

Section 7. Authorized Action. All actions which the Association is allowed to take under this instrument shall be authorized actions of the Association if approved by the Board of Directors of the Association in the manner provided for in the By-Laws of the Association, unless the terms of this instrument provide otherwise.

Section 8. Other Agreements. Notwithstanding anything contained herein to the contrary, all the provisions of these Covenants shall be subject to and conform with the provisions of:

(a) The Zoning Ordinances of the Town of Cary and County of Wake, North Carolina, and the rules and regulations promulgated thereunder, as may from time to time hereafter be amended or modified;

(b) The Master Plan for the development of Westpark PUD as may from time to time hereinafter be amended or modified;

None of the provisions of this Section (8) are or shall in any way be construed to be or to constitute a conveyance, transfer, disposition, waiver or relinquishment of any right, title, and interest of Declarant or the Association, as their respective rights, titles, and interests may appear, in and to or under any of the above referenced instruments or documents to or for the benefit of any other person, firm or corporation.

Section 9. Limited Liability. In connection with all reviews, acceptances, inspections, permissions, consents or required approvals by or from Declarant and/or the Association contemplated under this Declaration, Declarant and/or the Association shall not be liable to an Owner or to any other person on account of any claim, liability, damage, or expense suffered or incurred by or threatened against an Owner or such other person and arising out of or in any way relating to the subject matter of any such review, acceptances, inspections, permissions, consents or required approvals, whether given, granted, or withheld.

Section 10. Termination of Association. In the event that this Declaration be declared to be void, invalid, illegal, or unenforceable in its entirety, or in such a significant manner that the Association is not able to function substantially as contemplated by the terms hereof, for any reason, by the adjudication of any Court or other tribunal having jurisdiction over the parties hereto or if the Members of the Association should vote not to renew and extend this Declaration as provided for in Article VIII, Section 1, all Common Properties owned by the Association at such time shall be transferred to a Trustee appointed by the Superior Court of Wake County, North Carolina, which Trustee shall own and operate said Common Properties for the use and benefit of Owners within the Properties as set forth below:

(a) Each Residential Unit located within the Properties shall be subject to an Annual Assessment which shall be paid by the Owner of each such Residential Unit to Trustee. The amount of such Annual Assessment and its due date shall be determined solely by the Trustee, but the amount of such Annual Assessment on any Unit shall not exceed the amount actually assessed against that Unit in the

last year that assessments were levied by the Association, subject to the adjustments set forth in subparagraph (b) immediately below;

(b) The Maximum Regular Annual Assessment which may be charged by Declarant or Trustee hereunder on any particular Lot or Parcel may be automatically increased each year by an amount of ten (10%) percent.

(c) Any past due Annual Assessment together with interest thereon at the maximum annual rate allowed by law from the due date and all costs of collection including reasonable attorneys' fees shall be a personal obligation of the Owner at the time the Annual Assessment became past due, and it shall also constitute and become a charge and continuing lien on the Residential Unit and all improvements thereon, against which the Assessment has been made, in the hands of the then Owner, his heirs, devisees, personal representatives and assigns.

(d) The Trustee shall be required to use the funds collected as Annual Assessments for the operation, maintenance, repair, and upkeep of the Common Properties. The Trustee may charge as part of the cost of such functions the reasonable value of its services in carrying out the duties herein provided. The Trustee shall not have the obligations to provide for operation, maintenance, repair, and upkeep of the Common Properties once the funds provided by the Annual Assessment have been exhausted.

(e) The Trustee shall have the right to convey title to the Common Properties, and to assign its rights and duties hereunder, provided that the transferee accepts such properties subject to the limitations and uses imposed hereby and affirmatively acknowledges its acceptance of the duties imposed hereby.

(f) The Trustee shall have the power to dispose of the Common Properties free and clear of the limitations imposed hereby; provided, however, that such disposition shall first be approved in writing by two-thirds (2/3) vote of each Type of Member or in the alternative shall be found to be in the best interests of the Owners of property within the Properties by the Superior Court of Wake County, North Carolina. The proceeds of such a sale shall first be used for the payment of any debts or obligations constituting a lien on the Common Properties, then for the payment of any obligations incurred by the Trustee in the operation, maintenance, repair, and upkeep of such properties, then for the payment of any obligations distributed among the Owners of property within the Properties, exclusive of the Trustee, in a proportion Assessment on property owned by a particular

Owner bears to the total Maximum Regular Annual Assessments for all property located within the Properties.

Section 11. Management and Contract Rights of Association. Declarant may enter into a contract with a Management Company or manager for the purposes of providing all elements of the operation, care, supervision, maintenance, and management of the property. However, no such contract shall be binding upon the Association except through express adoption or ratification of the terms and conditions of such contract. Any contract or lease entered into by Declarant or by the Association while the Declarant is in control thereof shall contain a provision allowing the Association to terminate such contract without justification or penalty after transfer of management by the Declarant to the Association.

Section 12. Rights of Noteholders.

(a) Any institutional holder of a first mortgage (and any Insurer or Guarantor of such first mortgage) on a Unit or Lot will, upon written request, be entitled to:

(i) Inspect the books and records of the Association during normal business hours,

(ii) Receive an annual financial statement (audited if required herein) of the Association within ninety (90) days following the end of its fiscal year,
