No sale or transfer shall relieve such Lot from liability for any assessments thereafter becoming due or from the lien thereof, but the liens provided for herein shall continue to be subordinate to the lien of any first mortgage or deed of trust.

No building, signs, wall or other structure shall be commenced, erected or maintained upon the Properties, nor shall any exterior addition to or change or alteration therein be made until the plans and specifications showing the nature, kind, shape, height, materials, and location of the same shall have been submitted to and approved in writing as to harmony of external design and location in relation to surrounding structures and topography by the Declarant or by the Review Board if the Declarant has delegated such review responsibility to the Association. In the event the Declarant, or where applicable, the Review Board fails to approve or disapprove said design and location within sixty (60) days after said plans and specifications have been submitted to it, approval will not be required and this Article will be deemed to have been fully complied with. Neither the Review Board nor the Members thereof nor Declarant shall be liable in damages or otherwise to anyone submitting plans and specifications and other submittals for approval or to any Owner by reason of mistake of judgment, negligence (except for gross negligence), nonfeasance arising out of or in connection with the approval or disapproval or failure to approve or disapprove any plans or specifications.

Section 4. This Article does not eliminate the need to comply with the requirements of the Master Association Architectural Review Board as set forth in the Master Declaration, if required.

ARTICLE VII EXTERIOR MAINTENANCE

Section 1. Association Maintenance. In addition to the maintenance of the Common Area and Limited Common Areas, the Association shall provide exterior building and landscape maintenance upon each Townhome which is subject to assessment hereunder, as follows: paint, repair, replace and care for roofs, gutters, downspouts, exterior building surfaces, front porch rails and columns, walks, mailboxes, fences installed by Declarant or the Association, exterior post lights (excluding electricity therefore), and other exterior improvements. Such exterior maintenance shall not include glass surfaces, screens, awnings, or the repair or reconstruction of any improvements on any Lot, the cost of which repair or reconstruction would be covered by casualty insurance, whether or not a policy of casualty insurance is in effect.

Owners shall have the responsibility to water the lawn, trees, bushes and shrubs on his Lot, maintain his decks and maintain his driveway and parking pad, including keeping it free of grease and oil.

BK012186PG02236

The Association shall also provide landscape maintenance for the Lots subject to assessment hereunder as follows: Maintain, repair or replace all trees, shrubs and grass planted either by the Declarant or the Association. The Association is not required to plant any flowers, trees, shrubs, grass or other vegetation for any Lot Owner. Any trees, shrubs, grass or other vegetation planted by the Lot Owner, other than the Declarant, in accordance with the provisions of this Declaration and the Master Declaration, are to be maintained, repaired and replaced by the Lot Owner and the Association is not responsible for their maintenance, repair or replacement. The Association is not responsible or liable for any damage to flowers, trees, shrubs, grass or other vegetation planted by any Lot Owner, other than the Declarant, which is not directly caused by the negligence or intentional acts of the Association or its agents.

Further, the Owner of any Lot may at his election plant trees, shrubs, flowers, and grass in his rear yard provided that planting and maintenance by the Owner does not hinder the Association in performing its maintenance of the exterior building or landscaping of the Lot and the remaining yard spaces and as long as such actions are in compliance with the Master Declaration.

The Owner has the responsibility for maintaining, repairing or replacing any trees, shrubs, flowers or grass planted by him or anyone other than the Association or the Declarant, in his rear yard unless the Association expressly takes over such responsibility. No such maintenance by a Lot Owner shall reduce the assessment payable by him to the Association. If, in the opinion of the Association any such Owner fails to maintain his rear yard in a neat and orderly manner, the Association may revoke the Owner's maintenance rights for a period not to exceed one year and the Association will assume the Owner's maintenance responsibilities and will require an individual special assessment against the Owner in the amount of cost of maintenance plus an additional Fifty Percent (50%) of such cost as a penalty. The Owner shall not plant any vegetation, trees or shrubs, or in any way alter the appearance in the front yard except with the prior written approval of the Association.

In the event that the need for maintenance or repair is caused through the willful or negligent act of the Owner, his family, or guests, or invitees, the cost of such maintenance or repair shall be added to and become a part of the next assessment to which such Lot is subject.

Section 2. Maintenance by Owner. Except as already provided for herein, in cases where maintenance or repair is required in this Declaration to be done or made by an Owner, and the Owner has failed to maintain or repair any matter, the Association may make or complete such maintenance or repairs, and the cost plus fifty percent (50%) thereof shall be an additional assessment applicable only to such Lot and Owner, and shall be payable as determined by the Board of Directors.

ARTICLE VIII USE RESTRICTIONS

Section 1. Rules and Regulations. The Board of Directors of the Association shall have the power to formulate, publish and enforce reasonable rules and regulations concerning the use and enjoyment of the front yard space of each Lot and the Common and Limited Common Areas. Such rules and regulations may provide for imposition of fines or penalties for the violation thereof, or for the violation of any of the covenants and conditions contained in this Declaration.

Section 2. Use of Properties. No portion of the Properties (except for the temporary offices of the Declarant and/or model homes used by the Declarant) shall be used except for residential, utility and street purposes and for purposes incidental or accessory thereto.

Section 3. Quiet Enjoyment. No obnoxious or offensive activity shall be carried on upon the Properties, nor shall anything be done which may be or may become a nuisance or annoyance

BK012186PG02237

to the neighborhood.

Section 4. Animals. No animals, livestock or poultry of any kind shall be kept or maintained on any Lot or in any dwelling except that dogs, cats or other household pets may be kept or maintained provided that they are not kept or maintained for commercial purposes. Such pets shall be kept inside between the hours of 8:00 pm and 6:00 am.

Section 5. Occupancy. No planned unit shall be rented to or used by more than four unrelated individuals without prior approval of the Association. For the purpose of this Agreement, "unrelated individuals" shall mean individuals who are neither within the same immediate family (i.e. grandparents, parents, children, and grandchildren) nor who are legal guardian and ward; provided, however, siblings shall be considered unrelated individuals unless a parent also uses the same planned unit as his or her principal residence. In those situations where related individuals reside with unrelated individuals, the related individuals will be considered as one individual under this Section.

Section 6. Variances. The Declarant or the Board of Directors of the Association in their discretion may allow reasonable variances and adjustments of the restrictions set forth in this Article VIII in order to alleviate practical difficulties and hardship in the enforcement and operation of these restrictions. Any such variances shall not violate the spirit or the intent of this Declaration to create a subdivision of Lots owned in fee by various persons with each such Owner having an easement upon Common Areas owned by the Association. To be effective, a variance hereunder shall be recorded in the Wake County Register of Deeds office, shall be executed on behalf of the Association or Declarant, as applicable, and shall refer specifically to this Declaration.

Section 7. Fire and Liability Insurance. Each Owner must purchase fire and liability insurance before their purchase of the Lot unless otherwise agreed to by the Association.

Section 8. Miscellaneous Prohibitions. Owners shall not perform repairs and maintenance on motor vehicles on their Lot nor the Property; no fences shall be erected on their Lot; and, screen doors may not be installed on the Townhomes.

ARTICLE IX EASEMENTS

Section 1. All of the Properties, including Lots, Common Areas and Limited Common Areas, shall be subject to such easements for driveways, walkways, parking areas, water lines, sanitary sewers, storm drainage facilities, gas lines, telephone and electric power line and other public utilities as shall be established by the Declarant or by his predecessors in title, prior to the subjecting of the Properties to this Declaration; and, the Association shall have the power and authority to grant and establish upon, over, under and across the Common Area or Limited Common Area conveyed to it, such further easements as are requisite for the convenient use and enjoyment of the Properties.

An easement is hereby established over the Common Areas and Limited Common Areas and facilities for the benefit of applicable governmental agencies, public utility companies and public service agencies as necessary for setting, removing, and reading of meters, replacing and maintaining water, sewer and drainage facilities, electrical, telephone, gas and cable antenna lines, fire fighting, garbage collection, postal delivery, emergency and rescue activities and law enforcement activities.

All Lots shall be subject to easements for the encroachment of initial improvements constructed on adjacent Lots by the Declarant to the extent that such initial improvements actually encroach including, but not limited to, such items as overhanging eaves, gutters and

BK012186PG02238

downspouts, fences, decks and walls.

All Lots shall be further subject to an easement for the maintenance of landscaping described in this Supplementary Declaration on said Lots by the Association and/or its agents.

If any dwelling is located closer than five (5) feet from its side or rear Lot line, the Owner thereof shall have a perpetual access easement over the adjoining Lot to the extent reasonably necessary to perform repair, maintenance or reconstruction of his Townhome. Such repair, maintenance or reconstruction shall be done expeditiously and, upon completion of the work, the Owner shall restore the adjoining Lot to as near the same condition as that which prevailed prior to the commencement of the work as is reasonably practicable.

Section 2. Easement Reserved by Declarant. Declarant hereby reserves such easements on, across and over the Common Area, Limited Common Area and alleys as shall be reasonably necessary for the exercise by Declarant of any rights herein reserved, including, without limitation, Declarant's right, should Declarant elect, to annex Additional Property, as hereinafter defined.

ARTICLE X GENERAL PROVISIONS

Section 1. Enforcement. The Association, or any Owner, shall have the right to enforce by any' proceeding at law or in equity, all restrictions, conditions, covenants, reservations, liens and charges now or hereafter imposed by the provisions of this Declaration. Failure by the Association or by any Owner to enforce any covenant or restriction herein contained shall in no event be deemed a waiver of the right to do so thereafter.

Section 2. Severability. Invalidity of any one of these covenants or restrictions by judgment or court order shall in no way affect any other provisions which shall remain in full force and effect.

Section 3. Amendment. The covenants and restrictions of this Declaration shall run with and bind the land, for a term of twenty (20) years from the date this Declaration is recorded, after which time they shall be automatically extended for successive periods of ten (10) years.. This Declaration may be amended prior to December 31, 2016 by an instrument approved by the Board of Directors of the Association and not less than sixty-seven percent (67%) of the Lot Owners, and thereafter by an instrument approved by not less than sixty-seven percent (67%) of the Lot Owners.

Any amendment must be properly recorded. So long as the Declarant is entitled to appoint the majority of the Members of the Board of Directors of the Association, no amendment of this Declaration shall be made without the consent of the Declarant. Notwithstanding the foregoing, the Declarant, for so long as it shall retain control of the Board of Directors of the Association, and, thereafter, the Board of Directors, may amend this Declaration as shall be necessary, in its opinion, to correct obvious errors and omissions herein, or to make any amendments requested by the Veterans Administration ("VA"), the Department of Housing and Urban Development ("HUD"), the Federal National Mortgage Association ("FNMA") and the **Town of Holly Springs** and further may amend this Declaration with the consent and approval of the VA, HUD or FNMA, in order to qualify the Association for tax exempt status or to meet approval so that loans can be made under VA or HUD. All amendments shall be effective from the date of recordation in the Wake County Registry. Upon such recordation and certification by the Association Board of Directors, it shall be conclusively presumed that such instrument constitutes a valid amendment as to the Owners of all Lots of the Properties.

No amendment which would change or delete any provision herein required by the Town

BK012186PG02239

of Holly Springs or Wake County shall become effective until submitted to and approved by the Town or County Attorney or his designee; provided, however, if the Town or County Attorney or his designee fails to approve or disapprove such amendment within thirty (30) days after the same has been submitted to it, such approval shall not be required and this covenant shall be deemed to have been fully complied with. Any amendment must be recorded in the Office of the Register of Deeds of Wake County, North Carolina.

Section 4. Annexation.

(a) Except as provided in Subsection (b) of this Section 4, Article X, additional real property and Common Area may be annexed to the Properties only with the consent of (a) the Board of Directors so long as Class B Membership is in existence and (b) the Members entitled to cast two-thirds (2/3) of the votes, after Class B Membership is terminated.

(b) Additional land which is located within a five (5) mile radius of the boundary of the Properties (the "Additional Property") may be annexed by the Declarant within ten (10) years from the date of this instrument without the consent of Members or the Board of Directors. Declarant shall have no obligation of any kind to annex any Additional Property and, should Declarant elect to annex any Additional Property, Declarant shall have no obligation of any kind to annex Additional Property in any particular sequential order. The addition of property authorized under this paragraph may increase the cumulative maximum number of Lots authorized in the Properties, and, therefore, may alter the relative maximum potential voting strength of the various types of Membership of the Association.

The addition authorized under this Section 4(b) and under Section 4(a) may be made by recording an Additional Property Supplementary Declaration of Covenants, Conditions and Restrictions with respect to the Additional Property which shall extend the operation and effect of this Declaration to such Additional Property. Such Additional Property Supplementary Declarations may contain such complementary additions and/or modifications as may be necessary or convenient, in the sole judgment of the Declarant, to reflect the difference in character, if any, of the Additional Property and as are not inconsistent with the plan of this Declaration, but such modification shall have no effect upon the Properties described herein.

ARTICLE XI RIGHTS OF INSTITUTIONAL LENDERS

Section 1. Entities Constituting Institutional Lenders. "Institutional Lender" as the term is used herein shall mean and refer to banks, savings and loan associations, insurance companies or other firms or entities customarily affording loans secured by first liens on residences, buildings or other improvements and eligible insurers and governmental guarantors.

Section 2. Obligation of the Association to Institutional Lenders. So long as any Institutional Lender shall hold any first lien upon any Lot, or shall be the Owner of any Lot, such institutional Lender shall have the following rights:

(a) To inspect the books and records of the Association during normal business hours and to be furnished with at least one (1) copy of the annual financial statement and report of the Association prepared by a certified public accountant designated by the Board of Directors of the Association, such financial statement or report to be furnished by April 15 of each calendar year,

BK012186PG02240

in writing and to be sent to the principal office of such Institutional Lender, or to the place which it may designate in writing.

Section 3. Requirements of Institutional Lender. Whenever any Institutional Lender desires to avail itself of the provisions of this Article, it shall furnish written notice thereof to the Association by CERTIFIED MAIL identifying the Lot or Lots upon which any such Institutional Lender holds any first lien or identifying any Lot or Lots owned by such Institutional Lender and such notice shall designate the place to which notices, reports or information are to be given by the Association to such Institutional Lender.

ARTICLE XII RELATION TO MASTER DECLARATION

All Members, Lots, Properties and Owners subject to this Supplementary Declaration remain subject to the Master Declaration and any amendments thereto, and all other applicable recorded documents.

The Association is referred to and called a Sub-Association in the Master Declaration. Any right or duty imposed upon a Sub-Association or its Members in the Master Declaration is imposed upon this Association and its Members whether or not this Supplementary Declaration provides for such rights or duties.
