

Lake Castleberry

Architectural Guidelines, Maintenance Standards & Rules and Regulations

December 2019

**THIS DOCUMENT REGULATES THE DISPLAY OF POLITICAL SIGNS
AND REGULATES THE DISPLAY OF THE FLAG OF THE UNITED
STATES OF AMERICA OR STATE OF NORTH CAROLINA.**

INTRODUCTION

Purpose of Architectural Guidelines

Lake Castleberry is a single family home owner association. Simply stated, this means that the original tract of property was designed and approved as a self contained, deed restricted community, having its own covenants and order of rule under which all property owners would live and abide and which would provide for the maintenance of all Common Areas and improvements thereon. Restrictions were established so that aesthetics, appearance, and continuity could be defined and written based on the covenants and on precedence established by the Board of Directors. The ACC reviews all architectural requests until an Architectural Control Committee is appointed. These Architectural Guidelines provide an overall framework and comprehensive set of standards and procedures for the development of the community in an orderly and cohesive manner. In addition, these Architectural Guidelines are established to give the homeowner some degree of assurance that the actions of all members of the community would be directed so as not to adversely impact their enjoyment or property values.

The architectural standards and use restrictions set forth in this document are for the purpose of protecting the value and desirability of the real property located in the Lake Castleberry Community. The Lake Castleberry Homeowners Association By-laws and Declaration of Covenants, Conditions and Restrictions (DCCR) supports the Board's ability to adopt and publish from time to time amend written architectural standards and construction specifications.

No improvement of any kind shall be erected, placed or maintained, and no addition, alteration, modification or change to any improvement shall be made without the prior written approval of the ACC. This would include, but is not limited to, any building, wall, fence, patio, deck, driveway, plating, clearing or cutting of trees, color or painting of the exterior, swimming pool, play equipment or screened enclosure constructed, installed or placed prior to the termination of the Declarant control. Nor shall a building permit for such improvement or change be applied for or obtained, nor shall any major landscaping or re-landscaping of any Lot be commenced or made (such construction, alteration and landscaping are hereinafter referred to as the "Improvements") until plans and specifications showing the nature, kind, shape, heights, materials, color and location of same shall have been submitted to and approved in writing by the ACC. Construction must be accomplished in strict conformity with such plans as approved, unless otherwise expressly agreed to in writing by the ACC. The ACC shall have the sole right, authority and complete discretion to approve or disapprove the plans and specifications for any reason, including, but not limited to, exterior colors and appearance, landscaping, location of the structure or structures and aesthetics. In addition to setting standards, the Architectural Guidelines establish a process for review of proposed modifications to Lots and Dwellings to ensure that all sites within the community are developed and maintained with the consistency and quality that attracted you to Lake Castleberry HOA.

Government Permits

To the extent that City and County Ordinances or any local government ordinances, building code or regulation requires a more restrictive standard than the standards set forth in these Architectural Guidelines or the DCCR, the local government standards shall prevail. To the extent that any local government standard is less restrictive, the DCCR and the Architectural Guidelines (in that order) shall prevail.

Review Structure

The ACC of Lake Castleberry will handle architectural control and design review for the community. The ACC has exclusive jurisdiction over all matters relating to modifications to existing structures and landscaping, as set forth in the DCCR. The ACC shall review plans and specifications for all modifications and landscaping on any Dwelling or Lot, shall be the conclusive interpreter of these Architectural Guidelines, shall monitor the effectiveness of these Architectural Guidelines, and may promulgate additional design standards and review procedures consistent with these Architectural Guidelines.

ARCHITECTURAL REVIEW PROCESS

Review of Proposed Modifications

The review of the proposed modifications shall require the submission of an application to the ACC. An application form can be obtained on the Charleston Management website at www.charlestonmanagement.com or by calling Client Services at 919-847-3003. Depending on the scope of the modification, the ACC may require the submission of all or some of the plans and specifications listed below. In the alternative, the ACC may require a less detailed description of the proposed modification.

In accordance with Article 13.01 of the DCCR, “...***The Architectural Control Committee shall have the absolute and exclusive right to approve or disapprove Plans in its sole discretion and may approve or disapprove Plans based on purely aesthetic reasons, which in the sole discretion of the Architectural Control Committee has been deemed sufficient. Absent an approval from the Architectural Control Committee the proposed alteration or improvement may not be commenced...***”

Application Process

The ACC will require a set of modification plans in addition to the submission of an application. The preferred method of receipt is via email to: info@charlestonmanagement.com. If the e-mail option is not viable, the application and plans should be submitted to the following address: Charleston Management, P.O. Box 97243, Raleigh NC 27624. FAX: 919-848-1548. Do not fax if the ACC needs to review colors.

Generally, drawings of the proposed change should be submitted (to scale) which show relationships to existing structures, landscaping, lot lines, and setbacks (distance from property lines) for all proposed improvements. These drawings should include a "site plan" and an elevation plan along with any additional information, which could help the ACC visualize the project. For further descriptions of the five (5) elements that follow [floor plan, elevations, exterior finishes, landscaping plan, and other], please refer to applicable sections of this document.

Floor Plan

Showing decks, patios, related to the residential dwelling, trash enclosures, HVAC equipment and utilities.

Landscaping Plan

Showing location of trees, protection of existing vegetation, use of plants and other landscaping details. For further information see "Landscaping and Site Standards" section of this document.

Other

Such other information, data and drawings as may be reasonably requested, including, without limitation, irrigation systems, drainage, lighting, and other features.

Review Criteria: Recommendations & Variances

While the Architectural Guidelines are intended to provide a framework for modifications, they are not all inclusive. In its review process, the ACC may consider the quality of workmanship and design, harmony of external design with existing structures and location in relation to surrounding structures, topography, and finish grade elevation among other factors; however, the ACC will not grant approval for a proposed modification that is inconsistent with the Architectural Guidelines, unless the ACC grants a variance.

Variances may be granted in some circumstances, which include, but are not limited to, topography, natural obstructions, hardship, municipal requirements or environmental considerations. The ACC shall have the power to grant a variance from strict compliance in such circumstances so long as the variance does not result in a material violation of the DCCR. No variance shall be effective unless in writing and supported by all members of the ACC.

Review Period

Each application and plan submittal shall be approved or disapproved within 45 days of receipt of all materials required by the ACC. **The ACC's decision shall be based upon a majority vote of the ACC and shall be rendered in one of the following forms:**

1. "Approved" - The entire application as submitted is approved.
2. "Approved with Conditions" - The application is not approved as submitted, but the ACC's direction for curing objectionable features or segments are noted. The applicant must correct the plan's objectionable features or segments and the Applicant may be required to resubmit the application and receive approval prior to commencing the construction or alteration.
3. "Disapproved" - The entire application as submitted is rejected in total. The ACC shall specify the particular grounds upon which denial of such application is based.
4. "Request for Additional Information." This response shall be deemed a determination that the information submitted was inadequate, and the forty five (45) day time period for further ACC response shall only commence upon receipt of the requested additional information. .

If the ACC fails to respond within 45 days of receipt of a complete application, approval shall be deemed granted.

As a condition of approval under this section, each Owner and all successors- in-interest, shall assume all responsibilities for maintenance, repair, replacement, and insurance to and on any change, modification, addition, or alteration.

Approval of plans for any proposed modification shall not set a precedent for future applications.

Appeal

Any Owner who submits Plans to the ACC and disagrees with the finding of the ACC may appeal the decision to the Board by giving written notice of appeal to the President of the Association, [through the Managing Agent] within fifteen (15) days following its receipt of notice of denial. The Board shall review the Plans and hold a meeting to hear the case with the Owner and the ACC or its representative. At such meeting the ACC or its representative shall present to the Board specific reasons why the Plans were denied, and the Owner or his agent may present information challenging the findings of the ACC. The decision of the ACC shall only be overridden by a majority vote of the Board. This final appeal shall be only deemed approved if the applicant receives written notification from the Board. As the Board may only meet quarterly, approval shall not be assumed to be granted if the Board does not respond within 30 days.

City / County Approval

The review and approval of plans and specifications by the ACC shall not be a substitute for compliance with the permitting and approval requirements of the City, County or other Governmental Authorities. It is the responsibility of the Applicant to obtain any and all necessary permits and approvals.

Implementation of Approved Plans

All work must conform to approved plans. If it is determined by the ACC that work completed or in progress on any Dwelling or Lot is not in compliance with these Architectural Guidelines or any approval issued by the ACC or Board, the ACC shall, directly or through the Board, notify the Applicant in writing of such noncompliance specifying in reasonable detail the particulars of noncompliance and shall require the Applicant to remedy the same. If the Applicant fails to remedy such noncompliance or fails to commence and continue diligently toward achieving compliance within the time period stated in the notice, then such noncompliance shall be deemed to be in violation of the DCCR and these Architectural Guidelines and the homeowner (property) shall be subject to a daily monetary fine.

Time to Commence

If construction does not commence on a modification for which plans have been approved within one year of approval, such approval shall be deemed withdrawn unless the applicant requests, in writing, additional time from the ACC.

Time to Complete

The ACC shall include, in any approval, a maximum time period for the completion of any modification. If no maximum time period is specified in the approval, the modification shall be completed within 180 days of its commencement. The Applicant may request an extension of such maximum time period not less than three days prior to the expiration of the maximum time period, which the ACC may approve or disapprove.

Changes After Approval

All proposed changes to plans, including, but not limited to, changes that affect the exterior of any building, colors, windows, grading, paving, utilities, or landscaping made after plan approval must be submitted by the Applicant and approved in writing by the ACC prior to implementation of such changes. Close cooperation and coordination between the Applicant and the ACC will ensure that changes are approved within 15 days.

If the City or County, or any other authority having jurisdiction, requires that changes be made to final modification plans previously approved by the ACC, the Applicant must notify the ACC of such changes and receive approval from the ACC prior to implementing such changes.

Enforcement, Due Process Hearings, Fines & Fees

Any construction, alteration, or other work done in violation of these Guidelines or the DCCR, shall be deemed to be nonconforming. Upon written request from the Board or the ACC, Owners shall, at their own cost and expense, remove such construction, alteration, or other work and shall restore the land to substantially the same condition as existed prior to the construction, alteration, or other work

When a violation is determined to have occurred, the following steps shall be taken:

1. The ACC will investigate any reported violation and attempt to bring the owner into compliance. Homeowners will be notified in writing of the violation and are expected to bring the violation into compliance within thirty (30) days.
2. Should the owner fail to act upon the recommendations for corrections, the ACC shall submit the matter to the Board.
3. The homeowner shall be invited to hearing with the Board where the homeowner will have opportunity to be heard and present evidence. Failure to appear shall result in a fine, which will begin to accrue five (5) days after the date of the hearing. However, if the violation is brought back into compliance prior to the hearing, no hearing would be necessary.
4. After the hearing, the Board shall respond to the homeowner with a decision. Any penalties or costs relating to the violation (and the date from which the accrual shall begin, which will be no sooner than 5 days after the hearing date) shall be noted in the letter from the Board.
5. Fines will be levied on a daily basis, up to \$100 per day, per violation, until the violation is rectified. The North Carolina Community Act effective in January 2006 allows planned residential communities the ability to fine at a minimum up to \$100/day to uphold standards that will protect and insure homeowners of maintained property values, with regard to holding all property owners accountable for abiding by the existing covenants.

Fees associated with enforcement. Should an Owner fail to remove and restore as required hereunder, the Board or its designees shall have the right to enter the property, remove the violation and restore the property to substantially the same condition as existed prior to the construction, alteration or other work. All costs, together with the interest at the maximum rate then allowed by law, may be assessed against the nonconforming Lot and collected as a special assessment. In addition, the Board shall have the authority and standing, on behalf of the Association to pursue all legal and equitable remedies available to enforce the provisions of the DCCR and Architectural Guidelines and the decisions of the ACC.

ARCHITECTURAL DESIGN STANDARDS

The following specific site criteria shall apply to all proposed modifications within the community unless the ACC or Board grants a variance. These guidelines may be modified from time to time and are not inclusive of all architectural standards which may be adopted by the Homeowners Association, Inc. Applicants are responsible for obtaining all necessary building permits.

Air Conditioning Equipment

Unless other-wise permitted by the ACC, no window-air-conditioning unit (sides or front) shall be installed.

Antennae and Satellite Dishes

The installation of antennae and of satellite dishes or disks shall be permitted on a Lot if accomplished in strict compliance with the limitations and conditions imposed by the Telecommunications Act of 1996, as amended from time to time, but no antenna or disk which is in any dimension larger than prescribed by the Telecommunications Act of 1996 or which is not installed in accordance with the advance notice requirements and location guidelines of the Telecommunications Act of 1996 may be installed or maintained on any Lot except with prior written approval of the ACC. A satellite dish must: a) be no more than one (1) meter (39.37 inches) in diameter, b) have a hidden cable, and c) is placed on the rear roof line of the home. If the only viable location to obtain a signal is in the front of a home, the Owner must submit a letter from the installation company provides a letter confirming that a signal may not be obtained in any other location. In such an instance, the satellite dish must be placed on the roof, not on a free standing pole in the yard.

Awnings

The installation of awnings on the front of the residence or side(s) of the dwelling is prohibited. Other instances of installation are on a case-by-case basis for approval by the ACC.

Basketball Goals

The placement of a basketball goal requires prior approval of the ACC. Permanent basketball goals are to be placed on the rear third (toward the house) of the driveway or parking pad and must be mounted on a single pole cemented into the ground. Portable basketball goals 1) may not be stored on common area; 2) must remain upright at all times; 3) must not impede on neighboring lots, traffic or pedestrians in any way; and 4) may not create a noise nuisance.

Buffer Areas

The Town of Apex and Neuse River Buffers may not be disturbed in any way without prior written consent of the Town of Apex. No temporary or permanent structures may be placed in the buffer areas, no objects of any kind may be stored in the buffer area. Buffer areas directly adjacent to Lots 8-22 are designated as "limited common element" and are accessible only to the adjacent Lot owners. Adjacent Lot owners are responsible for the costs associated with the maintenance of these buffer areas and will be billed accordingly for any expenses by the HOA. Adjacent Lot owners are required to follow all Buffer rules and restrictions set forth by the governing municipality.

Commercial Vehicles

Please refer to *Exhibit B, Rules and Regulations, Section C.3.*

Clotheslines and outside clothes drying

No clothesline or clothes poles shall be erected, and no outside clothes drying is permitted.

Curtains, Window Coverings and Treatments

All interior window treatments must be in keeping with the overall scheme and aesthetic of the Property. No Owner shall place on or about any window any metallic foil or other coating, substance or material which similarly acts as a reflector of light nor shall an Owner place newspapers, towels or bed sheets or any other material not intended as a window covering in any window.

Docks

Lots 8-22 are permitted to construct docks on lake adjacent to Lot. Please refer to *Exhibit D* for specifications.

Exterior Lighting/Holiday Lights

Except for seasonal holiday decorative lighting, all significant exterior lighting changes must be approved by the ACC. The ACC may take into consideration the visibility and style of the fixture and its location. Exterior lighting shall be shielded and must be directed so as not to shine directly on another Lot.

Holiday lights should be removed no later than one (1) month after the holiday.

Fences and Shrubbery

Chain link fencing is expressly prohibited. No hedge, shrubbery, or other planting, nor other plant screening shall be installed on any Lot except with prior written permission of the Architectural Control Committee. Five foot black aluminum fences are permitted, with prior approval of the ACC. *See Exhibit A for more information.*

Firearms

Hunting and trapping of wild animals, fowl and game and the discharge of firearms and/or bows and arrows within the Property is prohibited.

Firearms of any kind are not permitted in the common areas of the Property.

Fireplaces, Firepits, Firebowls, Contained Fires

Outdoor fires located within an enclosed outdoor fireplace or other similar device specifically designed to hold and contain a fire, shall be permitted along with grills, if located in the rear yard of a home and if utilized in a safe manner. No fires may be left unattended at any time and all such installations must comply with municipal requirements. Barrels may not be used to contain a fire.

Burning of leaves, yard waste, or any other materials is prohibited on the Property.

Flags

Flag poles must have a maximum height of 20 feet from grade. They must be a satin finish aluminum pole with internal halyard or have a telescoping design that does not require a halyard. A 4' X 6' US flag and NC flag may be flown on the flag pole, in accordance with §47F-3-121 North Carolina Planned Community Act.

Flags may be displayed using a bracket or other approved device mounted to a dwelling so long as the size of the flag displayed does not exceed the standard size cited above.

Gardens, Garden Containers

Garden plots and/or raised beds do not require prior approval of the ARC, provided that the following criteria are met: 1) the total garden area does not exceed 8 feet X 12 feet; 2) the garden area is located directly behind the home and not visible from the street; 3) the perimeter of the bed is constructed of materials specifically designed for outdoor use; 4) no wire or chain link may be used to enclose the garden; 5) the garden must be properly maintained throughout the growing season and dead plant material removed at the end of the growing season.

Garage Sales

No garage sales or similar activities shall be permitted on any Lot or within the common Areas, except as approved in writing by the Board.

Grills, gas or charcoal

The preferred placement of a grill is at the rear of a home, on a deck with stairs or patio. Owners who choose to store their grill in their garage and place the grill on the driveway for operation must adhere to the following requirements: 1) the propane line must be disconnected from the grill whenever stored in the garage; 2) when in use, the grill must be placed on the rear portion of the driveway, at least 10 feet away from the building and any combustible materials; 3) the grill must be returned to the garage within 4 hours of use

Home Businesses

Lots are to be used for residential purposes. No Lot Owner shall use or cause or permit it to be used for any business, commercial, manufacturing or mercantile use or purpose, or for any other nonresidential use or purpose. The foregoing notwithstanding, it shall be expressly permissible for Owners to conduct certain business or commercial activities within their residence which do not conflict with local zoning ordinance restrictions and regulations. No

such activity shall be conducted which shall unduly burden traffic flows within the Property or cause the parking of non-resident vehicles upon the street for unreasonable or excessive periods of time. It shall be within the discretion of the Board to determine on a case-by-case basis, which commercial and business related activities will be compatible with the residential nature of the subdivision.

Hot Tubs and Saunas

The approval of the ACC is required for the installation of any hot tub, sauna or spa. Any hot tub or spa shall be an integral part of the deck or patio area and/or the rear yard landscaping. Hot tubs or spas shall be located at the rear of the property and shall be installed in such a way that is not immediately visible to adjacent property owners and shall not create an unreasonable level of noise for adjacent property owners. Owners are required to install safety features such as locks or covers for these items when such are not in use. Applicable City and County ordinances govern these requirements.

Landscaping, Maintenance of

Grass, hedges, shrubs, vines and mass plantings of any type on a Lot shall be kept trimmed and shall at regular intervals be mowed, trimmed and cut so as to appear neat and attractive. It shall be each owner's responsibility to water the lawn and the plants on its Lot at regular intervals. Trees, shrubs, vines and plants which die shall be promptly removed. No leaves, trash, garbage or other similar debris shall be burned except as permitted by the appropriate governmental authority.

Mulched areas must be refreshed at least annually and kept free of weeds.

Landscaping Modifications

A comprehensive landscape plan must be included with architectural applications for landscaping redesigns. The plan shall show the scheme for decorative plantings, planned site improvements and modifications, including, but not limited to, major topographic changes and plans for revegetation and stabilization thereof, the specifications for all terraces, walkways, driveways, paths, fences, bulkheading, walls, pools, outdoor lighting and other fixtures and structures to be constructed as part of the Landscape Plan.

Mailboxes

If the key for a mailbox is lost, the homeowner must contact the Apex Post Master (919-362-0395) and make arrangements to have the mailbox rekeyed. The Homeowner is responsible for the associated expenses.

Noise/Nuisance

No noxious or offensive activity shall be carried on in or upon any part of the Property nor shall anything be done thereon which may be or become an unreasonable annoyance, inconvenience or nuisance to the residents of the Property or unreasonable interfere with the quiet enjoyment of occupants of Lots. No Owner shall permit anything to be done or kept on his or her Lot which would result in the cancellation of insurance on said Lot or any other residence or any part of the Common Area or which would be in violation of any law. Please refer to the Apex Noise Ordinance, which can be found at the following link: <http://library.municode.com/index.aspx?clientId=13893>

Outbuildings, Gazebo, Trampolines, Awnings, Freestanding Flagpoles and Above-Ground Pools.

Except as may be permitted by the ARC, no Owner shall construct, install, erect or maintain upon any Lot any outbuilding, storage shed (unless erected by Declarant), gazebo, trampoline, awning or freestanding flagpole (provided flags may be displayed using a bracket or other approved device mounted to a dwelling so long as the size of the flag displayed does not exceed a standard size as same may be determined by the ARC).

In no event shall any outbuilding, storage shed, gazebo, trampoline or play equipment be constructed on any lot in the front or side yards as determined by the building lines applicable to the Lot.

No above-ground pools (except for wading pools, no deeper than 2 ft. tall and no wider than 10 ft. in diameter which shall be regulated by the ARC) shall be allowed or approved by the ARC on any Lot. Wading pools shall only be allowed in appropriate weather and must be emptied and stored when not in use.

Parking

No vehicles of any type shall be parked on the streets right of way within the Property, except for short term guest parking. Short term is defined as 6 or less hours. No vehicle shall be parked or stored on any part of the Lot other

than in the garage or driveway of such Lot. No vehicle may be parked on or across any sidewalk or any part of a Lot other than in areas improved for that purpose.

No boat, trailer, recreational vehicle, camper, camper truck, utility trailer, other water crafts, commercial or recreational vehicles may be parked, stored or left on any portion of the Property.

Owners shall be subject to sanctions if the parking regulations are violated. These sanctions may include monetary fines, after a Notice and Opportunity for Hearing, in accordance with Section 7.03 of DCCR.

Please also see Exhibit B, Rules & Regulations, Section C. Parking & Storage

Patios/Decks/Screened Porches

The approval of the ACC is required for the construction of patios and screened porches. Open patios must be an integral part of the landscape plan and must be located so as not to create an unreasonable level of noise for adjacent property owners. The patio product must be similar to or generally accepted as a color and material complementary to the design and color of the residence. Any decks or screened porches must be constructed of wood, with siding and architectural shingles to match existing house.

Pets

Wake County Animal Control: 919-856-6911

The telecommunicators of the Wake County Sheriff's Office dispatch Wake County Animal Control. To report an animal control problem, please call the main number 919-212-PETS (7387).

All owners are subject to the Apex Animal Control Ordinance, pertinent excerpts of which can be found in ***Exhibit C***.

In accordance with Apex Animal Control Ordinance, it shall be unlawful for any owner or keeper to permit an animal to be at large. The Animal Control Department can confiscate any animal found to be at large and impound such animal at the county animal shelter. This specifically includes, but is not limited to dogs and cats.

No animals, livestock or poultry of any kind shall be kept or maintained on any portion of the Property or in any home except that dogs, cats or other household pets may be kept or maintained provided that they are not kept or maintained for commercial purposes, that they do not create a nuisance (in the judgment of the Board), such as, but without limitation, by number, noise, odor, damage or destruction of property or refuse, and further provided that they are kept and maintained in compliance with all laws and ordinances of applicable governmental authorities relating thereto. In no event shall more than a total of three (3) dogs and/or cats be regularly kept on any Lot except for newborn offspring of such household pets which are under nine (9) months in age.

Animals shall not be permitted to reside solely outdoors in an enclosed yard.

All animals must be kept on a leash when in the Common Area.

Owners shall clean-up after their pets, including without limitation within the Common Areas. No animal, *including domesticated cats*, shall not roam free within the Common Areas and otherwise shall be kept on an overnight basis within homes. This requirement supersedes any other language contained in the DCCR.

The Board may adopt a rule prohibiting certain pets, except that such rule shall not apply to animals residing in the Property at the time such rule is adopted.

Please also refer to ***Exhibit B, Rules & Regulations*** and the Wake County Animal Control Ordinance, which may be viewed at http://www.wakeforestnc.gov/Data/Sites/1/media/communications/wakecounty_animalcontrolordinance.pdf

Play Equipment/Trampolines

No owner shall erect a trampoline or play equipment without prior approval of the ACC. In no event shall trampoline or play equipment be placed on any Lot in the front or side yards, as determined by the building lines applicable to the Lot.

Pools

In ground pools are permitted with prior approval of the ACC. No above ground pools (except for wading pools no deeper than 2 feet tall and no wider than 10 feet in diameter shall be allowed on any lot. Wading pools shall only be allowed during appropriate weather and must be emptied and stored out of view when not in use.

Recreational Vehicles

Please also see Exhibit B, Rules & Regulations Section C. Parking & Storage

Rooftop Equipment

The approval of the ACC is required for all rooftop equipment and accessories, unless specifically accepted in this section. Any installed solar energy equipment may be considered on the rear roof line and shall not be visible from the street. Landscaping or other buffering may be required for solar panels.

Shed, Playhouse or Tree House

Storage shed, playhouse or tree house plans must be in approved in advance before construction can begin. Approved storage sheds and play houses must be no larger in size than eight (8) feet by twelve (12) feet and be constructed of wood and finished with a siding material which is similar in color and composition to the residence. The shed/playhouse must have a suitably-constructed flooring system or foundation. (A masonry foundation or slab is permitted, provided that it is completely enclosed by brick or siding to grade level.) The roof must have a six (6) inch overhangs, and be constructed of architectural shingles that match the color of the home. Additional landscaping or screening plants may be required by the ACC, depending upon location of shed. Sheds and playhouses may not be located in a sewer, landscape or drainage easement. Lastly, owner must obtain all necessary permits and approvals from municipality.

Tree houses do not have a standard design requirement and will be considered on a case-by-case basis.

Signs

Except as otherwise required by the Town, no sign of any kind shall be displayed to the public on any Lot other than one sign of not more than nine (9) square feet advertising a Lot for sale and signs of not more than nine (9) square feet expressing support of or opposition to political candidates or other issues which will appear on the ballot of a primary, general or special election, provided that such political signs shall not be placed on a Lot earlier than sixty (60) days before such election and shall be removed within seven (7) days after such election.

Solar Panels & Other “Green Energy” Improvements

The installation of solar panels or other “green energy” improvements to the roof or exterior of a dwelling located on a Lot shall be permitted in accordance with NCGS §22B-20 after approval by the ACC. ***See also Section 13.01 of Declaration of Covenants, Conditions & Restrictions for Lake Castleberry, page 40.***

Storm Doors

Storm doors may be installed on the front or rear doors of a home provided that the following criteria are met: 1) door must have full view, single pane of glass with no etchings or tint; 2) frame of door must be the same color as the existing door trim; and 3) the hardware metal on the storm door must match the hardware on the existing door.

Temporary Structures

No temporary structures shall be placed upon any portion of the Property at any time. Tents (except tents as used temporarily for recreation), recreational vehicles, trailers (whether attached or unattached to the realty) may not, at any time, be used as a temporary or permanent residence or be permitted to remain on any portion of the Property.

Trash, Garbage, Rubbish, Waste

No trash, rubbish, garbage or other waste material shall be kept or permitted upon any Lot or the Common Area, except in sanitary containers located in a garage. See Exhibit E for additional storage screen options if you choose to store on the side of your home.

Trash containers may be placed at the curb the night before the scheduled pick up and must be returned to their storage area within twelve (12) hours after collection.

Trees and Tree Removal

The Town of Apex has designated several Resource Conservation Areas (RCA) located throughout the community. These areas are located on some individual lots, directly adjacent to some individual lots, or in the common area. Apex’s ordinance only allows the removal of any plant material or trees in a RCA with prior written approval of an Apex Zoning Compliance Officer (919-249-3433) and the HOA. The removal is limited to “...the removal, by hand,

of dead or naturally fallen trees or vegetation, or the removal, by an approved method, of trees or vegetation that are found by the Town to be a threat to the public health, safety, or welfare.”

Removal of a tree in the RCA. If an owner requests that a tree in the RCA be removed due to safety concerns, the owners must obtain a written response from the Apex Zoning Compliance Officer providing authorization for the tree to be removed. If the Zoning Compliance Officer cannot confirm the tree is dead, diseased or poses a hazard, the owner must obtain a report from a certified arborist which confirms that the tree poses a hazard to the property and/or residents who have requested the removal. This report will be submitted to the Town of Apex for a determination. If the Town of Apex concurs with the report, the HOA will pay for dropping the tree in the RCA and will reimburse the owners the cost of the arborist report.

Removal of a tree on a Lot. Trees measuring two (2) inches or more in diameter at a point two (2) feet above ground level and any flowering trees or shrubs above two (2) feet in height may not be removed from the Property without prior written approval of the ACC, unless such landscaping material is in the path of driveways, walkways located or to be located on any Lot. Excepted here from shall be damaged or diseased trees that threaten persons or property, which damaged or diseased trees shall be removed by the Owner.

Trees in excess of the dimensions listed above require prior approval for removal. Lot owner must submit an architectural application to the ACC along with a copy of the plat plan with the location of the tree marked or a photograph of the rear yard with the tree marked should also accompany the architectural request.

Requests for additional plantings on a Lot do not require written permission from Town of Apex, but do require approval from the ACC. A copy of the plat plan with the proposed location of the plantings, along with the type of planting and size at maturity should be noted on the plat plan.

Utilities

Owners are responsible for any damage to the common area as a result of the installation of the installation of service lines from utility companies other than the electric, water, sewer, and gas. Pipes, wires, and other utility facilities shall be kept and maintained underground. Utilities include water, sewer, power, telephone, cable television, and miscellaneous conduits.

Vehicles

All motorized vehicles operating within the Property must be properly muffled so as to eliminate noise which might be offensive to others. All motorized vehicles and motorized bicycles are prohibited from being used or operated anywhere other than on the streets, roads, parking lots and driveways within the Property.

Inoperable or wrecked vehicles of any type must be stored in the garage. No repairs to any vehicles or other personal property shall be made in parking spaces or driveways, except in the case of emergency.

Please also see Exhibit B, Rules & Regulations, Section C. Parking & Storage

Yard Art, Statuary, Exterior Decorations

Statuary such as sun dials, globes, sculptures, wreaths, decorative flags, bird houses, bird feeders and other yard art, is restricted to the front porch, around the mailbox and rear yard of a Lot.

LANDSCAPING AND SITE STANDARDS

Landscaping is an essential element of design in the neighborhood and is also an integral part of maintaining property value and neighborhood continuity. Preservation of existing vegetation must be considered in establishing and maintaining the landscape design.

Grass, hedges, shrubs, vines and mass planting of any type on any Lot or any portion of the Property shall be kept trimmed and shall at regular intervals be mowed, trimmed and cut so as to appear neat and attractive. It shall be each Owner's responsibility to water the lawn and the plants on its Lot at regular intervals. Trees, shrubs, vines and plants which die shall be promptly removed. No leaves, trash, garbage or other similar debris shall be burned.

Changes to the existing landscaping plan of the home require prior approval of the ACC. Requests should be accompanied by a plat plan or landscaping plan illustrating the location of the modifications, including hardscape features, plantings, and other information which may requested by ACC.

Drainage

Drainage of the property must conform to all municipality requirements. All drainage and grading must be indicated on the proposed plans submitted to the ACC. There shall be no interference with the established drainage pattern over any property except as approved in writing by the ACC.

The established drainage pattern is defined as the drainage pattern engineered and constructed by the original builder prior to (or in some cases, immediately following) conveyance of title from the builder to the individual homeowner.

No building or other structure shall be placed or permitted to remain on any Lot which may damage or interfere with the use, maintenance, repair or replacement of such drainage facilities and appurtenances and no Lot Owner shall do any work, construct any improvements, place any landscaping or suffer the existence of any condition whatsoever which shall alter or interfere with the drainage pattern for the Lots or common area.

Landscaping shall conform to the established drainage pattern, shall cause water to drain away from the foundation of the house, and shall prevent water from flowing under, ponding near, or against the foundation of the dwelling. Water should flow fully over walkways, sidewalks, or driveways into the street.

CONSTRUCTION GUIDELINES

Construction and Completion Timelines

When construction of any Lot, structure, improvement or addition has begun, work shall commence diligently and continuously through completion. Any structures must be “dried-in” with exterior finishes installed within 120 days of commencement of construction and all phases of work, including all landscaping must be complete within six (6) months of the date of ACC approval.

Inspections

The ACC may perform periodic informal inspections to ensure that work is being performed in conformance with approved plans and the Architectural guidelines. All inspections are observations only and will not relieve the owner's obligation to obtain inspection approvals from the City and or County and other governmental entities having jurisdiction.

Job sites not in compliance with these Architectural Guidelines or approved plans will be issued a Notice of Violation. Further construction is prohibited until the homeowner addresses the violations.

Construction Damages

Any damage to vegetation or common area facilities caused by the Applicant, their contractors, subcontractors, agents or employees must be corrected immediately to the satisfaction of the Board and the owner of the damaged property. If the damage is not corrected, the Association may repair such damage and assess the costs of repair to the Applicant.

Conduct

The applicant must ensure that all contractors and subcontractors control the conduct of their employees while working in the community. Loud music, profanity and other behavior, which is unbecoming, will not be tolerated. Employees violating this policy may be asked to leave the premises and may be denied future access to the community.

Site Cleanliness

All **work sites** must be maintained in a clean and orderly manner at all times. The storage of materials should be in an inconspicuous location within the site and stored neatly and orderly. All construction debris shall be cleared on a regular basis.

OWNERS SHOULD REFER TO ARTICLE 7, USE RESTRICTIONS AND ARTICLE 13, ARCHITECTURAL CONTROL, IN THE DECLARATION OF COVENANTS, CONDITIONS & RESTRICTIONS FOR LAKE CASTLEBERRY FOR ADDITIONAL INFORMATION.

LIMITATION OF LIABILITY

Plans and specifications are not approved for engineering or structural design or quality of materials and by approving such plans and specifications, neither the Board of Directors, the members thereof, nor the Association assumes liability or responsibility therefore, nor for any defect in any structure constructed from such plans and specifications. Neither the Association the Board of Directors nor the officers, directors, members employees, and agents of any of them shall be liable in damages to anyone submitting plans and specifications to any of them for approval or to any Owner affected by these restrictions by reason of mistake in judgment, negligence, or nonfeasance arising out of or in connection with the approval or disapproval or failure to approve or disapprove any such plans or specifications. Every person who submits plans or specifications and every Owner agrees that such person or Owner will not bring any action or suit against the Association, committees, or the officers, directors, members employees, and agents of any of them to recover any damages

EXHIBIT A

FENCING

Aluminum fencing is allowed at a maximum height of 60 inches (5 feet) and must be located wholly within the property lines of the Lot. Fencing may not extend any further forward than 15 feet behind front corners of home. A copy of the plat plan with the location of the fence denoted must be submitted with the application to the Architectural Control Committee. If any proposed fence line is located within a public easement (sewer, drainage, etc.) of any type, the Lot Owner must submit a letter from the municipality governing this area which authorizes placement of the fence into the easement area. "Puppy Panels" shall only be allowed on the bottom third of a black aluminum fence. Samples of approved aluminum fencing styles are shown below.

Samples of approved fencing styles:

Example of approved fence with 18" puppy panel

EXHIBIT B

LAKE CASTLEBERRY RULES AND REGULATIONS

A. INTRODUCTION

In order to live harmoniously in a close community, it is necessary to have a few rules. Please keep in mind that each one of these rules is necessary in order to make your day to day life and the day to day lives of your neighbors more pleasant and enjoyable.

By observing these rules, all residents of the Lake Castleberry community will have the benefit of living in one of the most pleasant and appealing residential communities in the region. If there are any rules with which we just cannot live, your Board of Directors (the "Board") has the authority to revise them. The following rules were adopted by your Board in accordance with the provisions of Article 8, Section 1(a) of the Bylaws to adopt and publish rules and regulations governing the use of the Common Areas and facilities and the personal conduct of Owners and their guests thereon and in the community. Your Board unanimously approved the following rule .

These rules and regulations are in addition to those covenants, conditions and restrictions for Lake Castleberry set forth in the Declaration of Covenants, Conditions and Restrictions for Lake Castleberry governing the community, as amended from time to time (the "Declaration"). If there is a conflict between the provisions of the Declaration and these rules and regulations, the provisions of the Declaration shall control. Capitalized but undefined terms set out in these rules and regulations shall have the meanings ascribed to these terms in the Declaration .

B. APPEARANCE

In addition to any restrictions contained in the Declaration:

1. No portion of the Common Areas shall be decorated in any manner by any Owner or occupant without the prior written consent of the Board.
2. Each Owner shall maintain his or her Lot and the improvements and landscaping thereon in good repair.
3. No Owner shall make any alterations or improvements of or to the Common Areas without the prior written consent of the Board.
4. No tables with umbrellas or grilles of any kind shall be located on any front porches of the homes on the Lots.
5. It shall be the responsibility of each Owner to regularly water the grass, plants, trees and landscaping on its Lot.

**LAKE CASTLEBERRY
RULES AND REGULATIONS
(Cont.)**

C. PARKING AND STORAGE

In addition to any restrictions contained in the Declaration:

1. No bicycles, motorcycles, mini-bikes or similar vehicles or other personal articles shall be stored in the Common Areas or on porches except as approved in writing by the Board.
2. No vehicles belonging to any Owner or to a member of the family or guest, or tenant of an Owner shall be parked in such manner to impede or prevent ready access to the remaining parking areas within the community. Owners, visitors, licensees and the Owners' families will obey the posted parking regulations, and any other traffic regulations published in the future for the safety, comfort and convenience of the Owners.
3. No boat, trailer, recreational vehicle, camper, camper truck or commercial vehicle shall be parked, stored or left on any portion of the Property. The term "commercial vehicle" shall generally exclude government-issued vehicles or automobiles of a type commonly used for family transportation notwithstanding that they may have commercial lettering or logos on their exteriors, provided (i) no objects, signs, tools, tool racks, or other forms of commercial advertising are attached or affixed to the vehicle; and (ii) the Board shall have the authority in its sole discretion to make final determinations as to whether a vehicle is a commercial vehicle on a case by case basis.
4. No inoperable or wrecked vehicles of any type are allowed on the Property, either temporarily or permanently. No repairs to any vehicles or other personal property shall be made in parking spaces or driveways, except in the case of emergency.
5. No vehicles of any type shall be parked or stored on any sidewalk in the Property or on any part of a Lot other than in those areas improved for that purpose (i.e., driveway or parking pad), and all parking and storage shall otherwise comply with all governmental and private rules and regulations, including regulations regarding nuisance and on and off-street parking.
6. No garage sales or similar activities shall be permitted on any Lot or within the Common Areas, except as approved in writing by the Board.

D. DISTURBANCES

In addition to the restrictions contained in the Declaration:

1. No Owner shall make or permit any noises that will disturb or annoy the occupants of the buildings or permit anything to be done therein which will interfere with the rights, comfort, or

**LAKE CASTLEBERRY
RULES AND REGULATIONS
(Cont.)**

convenience of other Owners. PLEASE BE CONSIDERATE OF YOUR NEIGHBORS. EXCESSIVE NOISE FROM PARTIES, STEREOs, TV's, ETC. CAN FRUSTRATE NEIGHBORS. SPECIAL CARE SHOULD BE GIVEN TO NOISE AND DISTURBANCES EMANATING FROM PRIVATE COURTYARD AREAS, PORCHES AND BALCONIES.

2. No discharge of firearms or fireworks shall be permitted.
3. No excessive idling of vehicles shall be permitted.
4. Owners shall ensure that alarm systems associated with their homes and automobiles are in good working order and repair in order to avoid unwarranted disturbances to neighbors.

E. GARBAGE AND UTILITIES

1. All garbage and refuse from homes shall be deposited with care in containers provided for such purposes, shall be transported by each Owner for collection to such location as is required by the garbage service, and shall be retrieved by each Owner and appropriately screened from the view of any private rights-of-way or adjoining Lots within twelve (12) hours after garbage collection. All waste should be bagged and tied before depositing in receptacles.
2. No Owner shall interfere in any manner with any portion of the common lighting apparatus in or about the buildings. No Owner shall install exterior lighting on the Property, except as approved in writing by the Board.
3. No Owner shall dispose of any paint, oil or other similar materials in storm drains or other portions of the Common Areas.

F. SAFETY

1. Each Owner shall maintain in a prominent place within his or her home a general purpose fire extinguisher.
2. No outdoor fires, whether within enclosed outdoor fireplaces or other similar devices, shall be permitted other than grilles located within private courtyard areas or within the Common Areas specifically designated for such use by the Board.
3. Owners shall exercise reasonable care in the enjoyment of fireplaces located within their homes.
4. Each Owner shall secure access to their home and each private courtyard area.

**LAKE CASTLEBERRY
RULES AND REGULATIONS
(Cont.)**

G. PETS

In addition to any restrictions contained in the Declaration:

1. No animals, livestock or poultry of any kind shall be kept or maintained on any portion of the Property or in any home except that dogs, cats or other household pets may be kept or maintained provided that they are not kept or maintained for commercial purposes, that they do not create a nuisance (in the judgment of the Board), such as, but without limitation, by number, noise, odor, damage or destruction of property or refuse, and further provided that they are kept and maintained in compliance with all laws and ordinances of applicable governmental authorities relating thereto. In no event shall more than a total of three (3) dogs and/or cats be regularly kept on any Lot except for newborn offspring of such household pets which are under nine (9) months in age. The Board may prohibit or require removal of any dog or animal, which after consideration of factors such as size, breed and disposition of the animal, interference with the peaceful enjoyment by other Owners of their Lots, and the security measures taken by the Owner with respect to such animal, the Board, after affording the Owner of such animal Notice and Opportunity for Hearing, deems to be undesirable, a nuisance or a safety hazard.
2. Owners shall clean-up after their pets, including without limitation within the Common Areas. Except for domesticated cats, pets shall not roam free within the Common Areas and otherwise shall be kept on an overnight basis within homes.

H. USE OF COMMON AREAS

In addition to any restrictions contained in the Declaration:

1. No climbing or horseplay on or near retaining walls located within the Common Areas shall be permitted.
 2. No disturbance of any creeks, storm water detention areas or landscaping areas located within the Common Areas (except by the Declarant or the Association) shall be permitted.
 3. No decorations of any kind shall be installed in the Common Areas except for any decorations approved in writing by the Board.
 4. No garage sales or similar activities within the Common Areas shall be permitted, except with the prior written consent of the Board for each occasion that any such activity takes place.

EXHIBIT C

Town of Apex Animal Control Ordinance & Additional Info

Sec. 4-1. Animal sanitation.

(a) Any person owning, harboring, walking, in possession of or in charge of a dog which defecates on public property, public park property, public right-of-way or any private property without the permission of the private property owner, shall remove all feces immediately after it is deposited by the dog. All feces removed in accordance with this section shall be placed in a suitable bag or other container that closes and disposed of in a lawful manner.

(b) Any person, while harboring, walking, in possession of or in charge of a dog on public property, public park property, public right-of-way or any private property without the permission of the private property owner, shall have in his or her possession a bag or other container that closes, which is suitable for removing feces deposited by the dog.

(c) The provisions of this section shall not apply to blind persons using dogs as guides.

Sec. 4-2. Definitions.

By Town of Apex Ordinance dated April 15, 1994, the Wake County Animal Control Ordinance, as amended from time to time, (hereinafter "the WCAC Ordinance") was adopted by the Town of Apex as its own ordinance. For the purpose of applying the WCAC Ordinance within the corporate limits of the Town of Apex, the terms "at large" and "restraint" as referenced in Section 2-3-1 of the WCAC Ordinances shall have the following meanings:

At large means any animal shall be deemed at large when it is not under restraint as defined by this section.

Restraint means an animal is under restraint if, and only if, it is either:

- (1) On the property of the owner or possessor and controlled by means of a chain, leash, or other like device;
- (2) Controlled by a leash of not greater than ten feet in length if the animal is off the property of the owner or possessor;
- (3) Within a secure vehicle being driven or parked;
- (4) Within a secure enclosure; or
- (5) Within the dwelling house of the owner or possessor...

...OTHER INFORMATION:

If you see an animal that appears to be rabid call 919-362-8661 and report the location of the animal. **DO NOT TRY TO CAPTURE THE ANIMAL.** Animals with rabies will show behavioral changes, they can be excited, aggressive, depressed or lethargic. They may be uncoordinated and unfocused on the activity or presence of humans around them.

If a pet in the Community is creating a nuisance by being at large or barking, contact Apex Animal Control at **Animal Control: (919) 212-7387.**

Apex follows Wake County's Animal Control policies, which regulates that all animals remain physically restrained at all times, whether by leash or fence. It is not necessary to register your animal in Apex, but your pet should always have their rabies tags displayed.

Exhibit D

FLOATING DOCKS

The construction of docks will only be permitted on the following lake front lots: Lots 8-22.

Lot owners must obtain a Buffer Authorization permit from the Town of Apex to specifically allow walkway to anchor walkway within the 100 foot buffer area and to allow the creation of a path from rear property line through the buffer area.

Lot owner must submit a copy of Buffer Authorization with path plan, dock plan, materials list with Architectural application.

Lot owner must submit payment in an amount to be determined by the Board of Directors for payment to certified engineer/architect to review plans and perform post construction inspection of dock to ensure that it is built in accordance with approved plan.

Lot owner must provide \$1,000,000 general liability policy for dock structure, naming Lake Castleberry HOA as an additional insured. Owner must provide proof of liability policy to HOA annually.

All docks must comply with the following specifications and requirements:

- Must be of a floating design.
- Docks shall be no closer than 25 feet from each side property line.
- Must be constructed of “Trex” type synthetic material in “Saddle” or similar color, to minimize deterioration of structure and prevent uniform appearance along shoreline.
- Frame must be constructed of 2” X 8” boards and decking must be 2” x 6” boards
- All hardware and fasteners must be galvanized metal or stainless steel.
- The dock flotation devices must be encapsulated in a black composite material.
- No railings or vertical structures permitted on dock.
- No dock will be more than 200 square feet total, including walkway to dock.
- A walkway not to exceed 4 feet wide by 8 feet long may be utilized to connect dock to shoreline.
- All docks will be attached to the shore in a way that allows them to float in the water.
- The distance between the outer edge of a dock and the normal shoreline may not exceed 20 feet total, including any walkway.
- Canoes or kayaks may be launched from dock and may be stored on dock when not in use. No other items may be stored on dock.
- No other items of any kind may be placed or stored within the 100 foot buffer area.

Each application is reviewed on a case-by-case basis and is subject to additional requirements.

Exhibit D, Continued

Examples of acceptable dock designs are shown below:

Exhibit E

LAKE CASTLEBERRY ADDITIONAL TRASH SCREEN OPTIONS

These are two resin enclosures that have been approved for use in the community. Either one can be placed flush against the side of the home and two 96 gallon bins stored inside.
