LANDSCAPING TIPS

Brown or thin grass? You might be cutting it too short which causes stress, especially in the summer.

Bermudagrass Lawn Maintenance Calendar

<https://content.ces.ncsu.edu/bermudagrass-lawn-maintenance-calendar>

When dumping grass clippings on the edge of the road, be sure to put the pile BELOW any storm water grates. If clippings are placed above a grate, they will wash/blow into the storm water system and cause clogs.

PET OF THE MONTH

Penny is a scaredy-cat Mastiff, and Edie is a pushy Bull Dog. We brought Edie back from Switzerland about 10 years ago. We feed her Appenzeller cheese whenever we get the chance. Penny is very loving toward us, but she shies away from most people at first. They both like to meet other dogs and to sniff their way through the neighborhood. Please stop and say hi if you see us walking, Edie would love it, and Penny could use the practice!!
