Start Work: 2025

The following proposal, when signed by both parties, constitutes a contract for the work described below:

Sinkhole Repair

- The area around the junction will be excavated
- The 2 pipes connecting to the junction box from the road and the walkway will be reset
- The joints of the pipes will be sealed with hydraulic cement
- The excavated area will be back-filled and mechanically compacted
- All disturbed areas will be stabilized with grass seed, wheat straw and matting
- The walkway will be repaired

Total Cost: \$8,891.88

Payment Terms: Balance due upon completion.

Finance Charges of 1.5% per month shall apply to all invoices past 30 days.

The above prices, specifications and conditions are satisfactory and hereby accepted.

Ecoland Stormwater Solutions is authorized to complete this contract as specified. This contract may be withdrawn if not accepted within 30 days. All projects shall be done with weather and temperature conditions permitting.

Please sign and return contract.
